Job Announcement

POSITION TITLE  Athletic Trainer

Develop, coordinate and administer a comprehensive sports medical program for intercollegiate sports. The athletic trainer will also perform professional and administrative services essential for the successful implementation and development of the program. This position reports to the Athletic Director.

Primary Responsibilities

- Develop overall sports medicine program for the College, including: injury prevention programs, injury evaluations, injury management, injury treatment and rehabilitation, educational programs and counseling for student-athletes
- Provide athletic training services for the athletic department, including attendance at scheduled team practices and home and away competitions as necessary
- Coordinate and schedule physical examinations and medical referrals for student-athletes to determine their ability to practice and compete
- Work in conjunction with the strength and conditioning staff to ensure safety in the design and implementation of fitness, nutrition and conditioning programs customized to meet individual student-athlete needs
- Assist Athletic Director in the development of the sports medical program budget
- Evaluate and recommend new techniques and equipment that would enhance the benefit of the sports medical program
- Recordkeeping and documentation

Required Qualifications

- Bachelor’s degree in appropriate area of specialization and 4 – 5 years professional experience. Master’s degree preferred, 2 – 3 years professional experience
- Certified by the National Athletic Trainers’ Association Board of Certification (NATABOC)
- State Athletic Training Licensure
- Familiarity with NCAA, NAIA or NJCAA governing rules

Salary

Commensurate with Credentials and Experience
