INTRODUCTORY INFORMATION

SECTION - HR 1.0

THE HISTORY OF JARVIS CHRISTIAN COLLEGE

Jarvis Christian College is a historically Black College that has been affiliated with the Christian Church (Disciples of Christ) since its inception. The College began as Jarvis Christian Institute, modeled after Southern Christian Institute, Edwards, Mississippi, and its formal instructional program commenced January 13, 1913, with an enrollment of twelve students, all in the elementary grades.

The recorded history began in 1904 when the Negro Disciples of Christ in Texas, spearheaded by Mrs. Mary Alphin, State Organizer, in conjunction with the Christian Woman's Board of Missions, began planning for a school for Black youth. Financial goals were set. The Negro Disciples of Christ in Texas were to raise \$1,000 for a school; the Christian Woman's Board of Missions would contribute \$10,000, if this were done. Meanwhile, Miss Virginia Hearn, State Secretary for Women's Work, convinced Mrs. Ida Van Zandt Jarvis of the need for a school for Black youth.

In turn, Mrs. Jarvis worked to persuade her husband, Major James Jones Jarvis, to donate land upon which a school could be built. In 1910, Major and Mrs. Jarvis deeded 456 acres of land near Hawkins, Texas, to the Christian Woman's Board of Mission on the condition that it keep up and maintain a school for the elevation and education of the Negro race...in which school there shall be efficient religious and industrial training. Inherent in the spirit of the donation was that the land would be used to educate *head, heart, and hand* and to produce useful citizens and earnest Christians.

In 1912, Mr. Thomas Buchanan Frost, a graduate of Southern Christian Institute, who was to serve as Superintendent, came to start a school. Soon, Mr. Charles Albert Berry, also a Southern Christian Institute graduate came to serve as Principal.

In 1914, Mr. James Nelson Ervin came from Johnson City, Tennessee, to be the first President.

In 1938, Mr. Peter Clarence Washington came from East St. Louis, Illinois, to serve as the second President.

In 1949, Dr. John B. Eubanks assumed administrative duties as Executive Vice-President. He was named the third President in 1951.

In 1953, Dr. Cleo Walter Blackburn, who served as consultant to President Eubanks, began his eleven-year tenure as the fourth President.

In 1959, Dr. John Oliver Perpener, Jr. was named Executive Vice President and served as resident executive. In 1964, an alumnus became Provost and Chief Administrative Officer.

In 1972, Dr. John Paul Jones was appointed the sixth President.

In 1976, Dr. Earl Wadsworth Rand, an Alumnus and former Dean of Jarvis Christian College, became the seventh President.

In 1980, Dr. Charles Albert Berry, Jr., an alumnus, became the eighth President.

In 1988, Dr. Julius Franklin Nimmons, Jr., became the ninth President.

In 1991, Dr. Sebetha Jenkins became the tenth President.

In 2009, Dr. Cornell Thomas became the eleventh President.

On April 2, 2012, Dr. Lester C. Newman became the twelfth President and who is currently serving in that capacity.

THE PHILOSOPHY

Jarvis Christian College, having been founded by and continuing its affiliation with the Christian Church (Disciples of Christ) for the purpose of higher education, seeks to give added meaning to all its activities by making religion and spiritual values of central importance. A Christian Church exists on the campus. Students, faculty members and their families and friends are invited to attend and participate in the services of the campus church.

Since religious ideas are so inextricably involved with the American political and cultural tradition, Jarvis Christian College proposes to expose its students to religious ideas and to challenge them to put faith into action within the college community. Insofar as respect for the dignity and worth of the individual is common to both faith and democratic practice, the development of a personal faith may be seen to be doubly important. At the same time, Jarvis Christian College recognizes that effective religion must be voluntary and that denominational insistence and insulation are inconsistent with the broadly ecumenical spirit of the Christian Church (Disciples of Christ).

Recognizing that democracy is ideally both an end and a means to other meaningful ends in education; Jarvis Christian College seeks to encourage in its members an acceptance of the primacy of individuals as persons and the necessary interdependence of the concepts of freedom and responsibility. Students, seeking experiences and wisdom, are the reason for the existence of Jarvis Christian College. All personnel are challenged to demonstrate both competence and compassion as they patiently help students toward further maturity.

An accredited College like Jarvis Christian College is not only a teaching institution which collects and passes on to its students the accumulated knowledge and scholarship, but it is also a many-faceted center of learning in which equally important obligations include enrichment and advancement of knowledge through creative research and scholarly and scientific services to its communities. Jarvis Christian College accepts these obligations and seeks to foster an environment in which outstanding scholars and scientists in all fields may flourish as they teach.

SECTION 3 – Performance and Evaluation Process - HR 3.4

Performance Evaluations for Staff

This policy is applicable to all regular, continuous employed, staff, regardless of time worked (FTE). This policy is not applicable to faculty or students.

New Hire Probationary Period

A probationary period of six (6) months shall prevail for newly employed general staff and administrative personnel. The purpose of the probationary period is to allow time for a supervisor to orient an employee to the work requirements and expectations of the position and to determine whether or not the employee demonstrates satisfactory knowledge and skills in the performance of the work assignments. At any time during the probationary period, either party may terminate employment without notice. Employment at Jarvis Christian is an “at will” relationship; either the employee or the employer may dissolve the employment relationship at any time, with or without cause, and with or without notice.

Staff members who **transfer** to new positions also must complete a six-month probationary period. If the adjustment is not satisfactory, the individual may be returned to his or her previous position or a similar position, if either is available and circumstances so warrant.

Performance Evaluations (Staff Employees)

It is the policy of the College to conduct performance evaluations with employees at least on an annual basis. However, performance evaluations may be conducted more frequently as determined by the administrator. New employee evaluations will be conducted in accordance with procedures established under Orientation for New Employees (See Orientation Period). Reviews with employees on a scheduled basis are an employee development activity intended to assist and motivate employees to attain their maximum potential. Faculty employees will refer to the faculty handbook.

Supervisors are responsible for conducting thorough, impartial and timely performance evaluations with employees who report directly to them. Evaluation forms are intended to assist supervisors in recording their assessments of employee performance and in communicating their appraisals with employees.

The written results of an evaluation, including supervisor and employee signatures and any statements, will be retained in the department, and the staff member shall receive a copy of his/her finalized performance evaluation upon request.

The date of the last performance evaluation for each employee shall be maintained by the department on the Human Resource System. Evaluation forms may be obtained from the Human Resources Office.

Supervisor Training

All supervisors who conduct performance evaluations are required to receive training in the techniques of a uniform and effective staff performance evaluation program at least once every three years.

These training sessions should include presentations and discussions of such subjects as:

- Detailed explanation of the employee performance evaluation and rating system to be used.
- Instructions as to what the administration of the department expects in the way of performance standards and the requirements for disseminating the expectations to all staff members
- The requirements and desirability of maintaining an effective and uniform evaluation program within and among all units of the department
- Caution about the pitfalls of common errors which can cause problems in performance rating, including:
 - rating all staff as average
 - allowing one aspect of a staff member's performance to influence the entire evaluation
 - over-valuing or under-valuing a given factor
 - discriminating based on race, sex, age, religion, ethnicity, color, national origin, sexual orientation, religion, veterans' status, or qualified disability
- Criteria used to evaluate the performance of the staff should be directly related to the skills, abilities, and behaviors required to accomplish the work. The criteria or factors may vary with the type of work being reviewed. A current job description should be maintained on each position.

Process Improvement Plan

- In the event that a staff member is rated "Needs Improvement" or "Unsatisfactory," with a serious problem concerning performance and/or behavior, and the staff member does not show satisfactory progress upon being informed of the deficiencies, a department should recommend a Process Improvement Plan to address any deficiencies. (This type of Process Improvement Plan should not be used for minor deficiencies; minor matters should be reviewed in the supervisor's daily contact with the staff member.)
- The following procedures are suggested for conducting Process Improvement Plan:
 - The immediate supervisor or higher ranking supervisor should initiate the action for staff deficiency review.
 - The staff member should be given a clear explanation of the deficient performance or problem behavior.

- The expected level of performance or behavior and the action necessary to meet the expectations should be outlined, along with the time frame allowed for improvement and the consequences for failure to meet the standards set forth.
- At the close of the review, the staff member should be advised as to when the matter will again be discussed, and this date should be noted.
- The supervisor shall "follow up" the review on the date set to determine whether the staff member is making progress in the correction of the problems outlined in the review, or whether further corrective action is needed.
- In the event that the staff member's performance does not improve, the department may find it necessary to take further disciplinary action, including discharge.
- Appropriate records should be shared with the employee and higher ranking supervisor and maintained in the employee's personnel file in the department.

PERSONNEL

SECTION 3 – LEAVE POLICY - HR 3.5

Leaves

Some leaves, including professional/educational leaves, may be granted for periods of up to one year based upon the nature of the employee's need for the leave, department staffing, and other relevant considerations.

Leaves are submitted by recommendation of the employee's supervisor, in consultation with the Human Resources Director with the final approval of the Office of the President. When a person is on leave, the other staff members may be asked to do the work of an individual on leave. However, if the position is to be filled, reasonable efforts will be made to fill it with temporary personnel. The College attempts to place employees returning from leave in the same or equivalent position of employment. However the College does not guarantee reinstatement at the end of a leave.

Employment may be terminated if:

- The individual resigns,
- The individual fails to report for work when not on leave,
- There is not a position on the same level or a lower level available when the employee is able to or desires to return to work,
- At the time the individual is able to return to work, no position acceptable to the employee is available and he or she refuses the position offered, or a disabled employee with accommodations (that are not an undue burden) is unable to perform the essential functions of the job or to perform his or her duties without endangering the health and safety of the employee or of others.

Types of Leaves

Leaves of absence from active employment with the College with or without pay may be granted for the following reasons.

Bereavement Leave

Employee's bereaved by the death of a close relative are granted time off with salary for a period of three days per year. Relative is defined as a parent, grandparent, spouse, sibling, child or anyone of like relationship by marriage. Bereavement leave after three days is chargeable to sick leave up to a maximum of ten (10) days.

Jury Duty

The College will continue salary in full for the full time employee called to jury duty provided the following conditions are met: the summons is presented to the supervisor and Human Resources Director at least three days prior to the time scheduled to serve and evidence is provided to Human Resources of having served on a jury for the time claimed.

Family Medical Leave Act (FMLA)

(Approved at May, 2015 Board Meeting)

Jarvis Christian College is committed to compliance with the Family Medical Leave Act (FMLA) of 1993. The purpose of this policy is to provide eligible employees unpaid, job-protected leave for up to 12 weeks during any 12-month period. Leaves of absence for medical reasons can be granted for the period of time an employee is declared unable to work by his/her physician with appropriate documentation for the following medical reasons:

- for incapacity due to pregnancy, prenatal medical care, or the birth of a child;
- to care for the employee's child after birth, or placement of a child for adoption or foster care;
- to care for the employee's immediate family (i.e., spouse, son, daughter, or parent) who has a serious health condition; or
- for a serious health condition that makes the employee unable to perform his/her job responsibilities.

The employee or his/her authorized representative may request the leave. Furthermore, the appropriate supervisor or department chair may also initiate said leave. The employee's appropriate administrative officer, in consultation with the Human Resources Director, will recommend approval of the leave.

For approval of a Family Medical Leave, the College requires a physician's statement specifying the date the employee first became unable to work and the anticipated date for the employee's return to work.

Employees are eligible for a Family Medical Leave if they have worked for Jarvis for at least 12 months and have worked at least 1,250 hours in the 12-month period preceding the request for the leave.

During the Family Medical Leave, Jarvis will maintain the employee's health benefits on the same conditions as if the employee had continued to work. If the employee wants benefits to continue during the Family Medical Leave, he/she must continue to pay the share of the

premiums for these benefits at the same contribution rate as if he/she were an active employee. Upon return from the Family Medical Leave, employees will be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

An employee does not need to use this leave entitlement in one block; leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the operations of the College.

Sick Leave

The College provides medical leave with compensation to all employees whose absence from work is required by his personal illness or injury. Employees are eligible for one (1) working day of medical leave after completing (1) month of continuous, uninterrupted employment. Medical leave is earned at the rate of one (1) day per month and can be accumulated from year-to-year up to a maximum of sixty days. Medical leave will not be granted if the absence is due to an illness or injury incurred while committing a felony or illness or injury resulting from paid employment of any kind other than employment by the College.

In the case of any doubt as to the existence or cause of an illness or injury, which requires absence from work, the decision of a physician selected by the College will be final.

An employee who is sick on an observed holiday receives regular holiday pay for that day, and is not deducted from medical leave credit. When an employee becomes ill or disabled while on vacation, the employee may use accumulated medical leave, provided the supervisor is notified as soon as possible and the employee submits satisfactory evidence confirming the illness or disability. If an employee is absent from work due to illness or injury **for three (3) or more days**, a statement should be submitted from the employee's physician.

If an employee is unable to perform assigned duties as a result of compensable on-the-job injury, the employee may use medical leave and/or vacation leave in order to continue receiving salary.

Upon termination of employment, an employee cannot apply for remuneration of unused sick days.

Military Leave

The College will grant a leave of absence without pay for military leave subject to the following conditions:

Any employee who presents official orders requiring attendance for a period of training or other active duty as a member of the United States Armed Forces, State Reserve Corps or State Guard will be granted leave of absence without pay for the period of such services. Upon completion of such service, and the employee received an honorable discharge, the employee will be reinstated to their former position in accordance with the applicable laws regulating such matters. Benefit plans and accruals are not continued while an employee is on permanent active duty.

Advanced Study Leave (All Employees)

After three years of continuous full-time employment, an employee could be eligible for study leave pending the availability of funds from external or internal sources, or where appropriate, without pay. A recommendation must be made by the immediate supervisor, endorsed by the division chair, senior administrative officer and approved by the College President.

In instances where the leave is funded by external or internal sources, the employee must agree to pursue advanced study in an area based on the needs of the College, as recommended and approved through the lines of authority. The amount of financial support (when available) shall not exceed the regular salary and shall be given as an advanced study stipend.

The employee must repay to Jarvis Christian College two years of post-study leave service for each full year of study leave. Study leave with or without pay shall not exceed two years.

Sabbatical Leave

Sabbatical leave may be granted to faculty at the end of five years of service for one year with half-salary or at the end of seven years of service for one year with full salary. This policy is dependent on the availability of institutional funds. Other faculty leaves of absence may be supported with external funding.

Special Leave

Special leaves of absence without pay may be allowed for periods of inactive employment covering more than one day, but not exceeding one year. If an absence is to continue for longer than one year, the employee is to notify the Human Resources Director to this effect and request a specified extension of time at least thirty days prior to the expiration date of the leave of absence. The senior administrative officer and the employee's supervisor will review the request for extension and jointly recommend an extension or termination of the leave of absence to the President of the College who may approve or deny the recommendation. If the request is denied and the employee is unable to return to work, the services of the employee are terminated and the official date of termination is the last day of the originally approved period of leave.

Ordinarily, special leaves of absence are granted without pay. Payment to employees on special leave of absence is considered to be unusual and must have the written approval of the President of the College.

PERSONNEL

SECTION 3 – HOLIDAY POLICY - HR 3.6

Holidays

The College recognizes certain days during the year as paid holidays for its employees. The following days will be observed as paid holidays:

Martin Luther King's Observance Day
 Good Friday
 Memorial Day
 Independence Day
 Labor Day

Thanksgiving Day
 Friday after Thanksgiving
 Christmas Eve
 Christmas Day
 New Year's Eve
 New Year's Day

In addition to the holidays listed above, eligible employees may be allowed additional days off with pay as announced by the President.

Eligibility

Regular full-time twelve-month employees are eligible to receive the above holidays “off” with pay. Employees classified as part-time or temporary are not eligible for pay for holidays.

Holiday within a Vacation Period

Should a holiday occur during an employee’s vacation period, an additional day of vacation will be allowed.

Holiday on Saturday or Sunday

If a holiday falls on Saturday, it will usually be observed on the preceding Friday. If a holiday falls on Sunday, it will usually be observed on the following Monday. If a holiday falls on Saturday or Sunday, employees regularly scheduled to work on Saturday and Sunday will observe the holiday on another day designated by the College.

PERSONNEL**SECTION 3 – VACATION POLICY - HR 3.7**

Vacation

It is the policy of the College to grant vacation with pay to regular full time twelve-month employees to the extent of accrued vacation time up to the maximum allowed.

Entitlement

Eligible employees are entitled to annual vacation leave based on the work schedule. Vacation time may be taken at the pleasure of the employee upon final approval of the President and the convenience of the College. Requests for the same time off by two or more persons in any department that will have an adverse effect on the functions of the College may not be approved. Employees with seniority will be given preference in competitive requests. Annual entitlement based on full-time employment is:

Years of Service

6 Months - Up to Year 2	48 hours per year (6 days)
3 – 5 Years	96 hours per year (12 days)
6 + Years	144 hours per year (18 days)

Accrual

At the beginning of the fiscal year (July 1 – June 30), the College will credit 12-month employees with proposed accrual vacation days for the entire benefit year. Clarification: Although these days are credited at the beginning of year, vacation days must be earned at the accrued rate.

New twelve month employees start to accrue vacation time at the rate of 8.00 hours per month after completing 6 months of employment. In the first year of employment, credit for 6 vacation days will be applied at the beginning of the seventh month.

Employees **must** schedule and take vacations within the current fiscal year. Actual vacation time taken and eligible vacation days will be reconciled for each employee at the end of the

fiscal year. In the event that an employee is separated from the College for any reason during the fiscal year, adjustments for vacation time taken in excess of eligible vacation days will be applied in calculating final compensation. Where there are extenuating circumstances, vacations not taken by June 30 may be carried forward to the next fiscal year, but **must** be approved through normal channels of authority to the President. However, the President has the right to deny carry-over vacation requests. Under no circumstance, can carry-over vacation exceed 5 days. Carry-over vacation days are forfeited if not taken by **December 31** of the ensuing fiscal year.

With the exception of paid holidays, whenever you plan to take, or have taken, any leave of absence (e.g., vacation leave, sick leave, personal leave, funeral leave, leave without pay, and court leave), you will need to fill out a “**Absence Report – Vacation Time or Other Leave**” form. These forms should be completed prior to your taking leave; however, sick leave reports may be prepared after the leave has occurred. This form is located in the Office of Human Resources and must be submitted to your immediate supervisor for approval before or immediate upon your return to the College. Clarification: All leave and vacation requests must have the final approval by the President prior to commencement or for unplanned leaves, immediate upon the return to the College.

PERSONNEL

SECTION 3 – OTHER BENEFITS AND SERVICES - HR 3.8

Group Insurance

Regular full-time employees of the College are eligible for participation in the College’s group health and life insurance program. Details of the plans are available in the Human Resources Office.

The College pays a portion of the premium for participating employees. The employee pays the balance of the premium and the entire premium for any dependent coverage. In addition, group dental insurance is provided for employees and dependents. The employee pays the full premium for this coverage. Group insurance will become effective when the application is completed and received by the insurance company. A new employee is eligible for group insurance *immediately upon employment with the College, and the employee must enroll or waive coverage within the first thirty (30) days of employment.*

Retirement/Pension Plan

The College offers a defined retirement plan option, a 403(b) plan, for employees through VOYA Financial (formerly known as ING). There is no waiting period; however, after being employed for six (6) months, the College will begin contributing up to three (3) percent of the employee’s salary.

For those employees who have been grandfathered into the pension plan, administered by the Christian Church (Disciples of Christ), this plan provides long-term disability and term life insurance benefits. Employees have been permitted to contribute 6% or 14% of their salary for the first two years of active continuous service. The College contributes 8% beginning with the

third year of active continuous service, while the employee contributes 6%. For more detailed information, please contact the Office of Human Resources.

Social Security (FICA)

All employees of the College are covered under the Federal Insurance Act (FICA), also referred to as the Social Security Program. The Act provides benefits, such as disability, old age, and survivors' benefits. The College and employee contribute a designated percent of the employee's salary for FICA coverage in accordance with the established rate.

Unemployment Compensation

The Texas Unemployment Compensation Act covers regular employees of the College. The College reimburses the Texas Employment Commission directly for benefits paid to former employees. This benefit is provided without cost to the employee.

Workers' Compensation Insurance

The College carries Workers' Compensation Insurance, which is maintained in accordance with the laws of the State of Texas. The insurance is provided without cost to all employees.

Workers' Compensation provides for the payment of (1) cost of medical treatment for injuries arising out of and in the course of employment, and (2) loss of wages.

All injuries received while performing duties, as an employee of Jarvis Christian College must be reported immediately to the immediate supervisor. The supervisor should complete the First Report of Injury Form no matter how trivial the incident seems at the time. This form, which may be obtained from the human Resources Office must be completed by the employee or supervisor and returned to the Human Resources Office. The required forms will be submitted to the insurance carrier and Industrial Accident Board as appropriate. When no sick leave or vacation leave is remaining, the employee may be compensated at a rate established by the Texas Workers' Compensation Act.

In cases where the employee has no sick leave or vacation accrued, there is a seven-day waiting period before compensation begins. In no instance should an employee receive full salary from the College and Workers' Compensation pay at the same time.

Cafeteria Plan (Section 125)

The College provides a flexible benefit plan administered by Colonial Life Insurance, which affords tax savings to employees by using qualified insurance premiums. Participation is voluntary.

Tuition Discounts

College employees are eligible for a 50% discount on actual tuition charged. Persons eligible for tuition discounts must apply prior to the semester in which the discount is sought.

Professional Development

Jarvis Christian College recognizes that the key to a successful educational program is a well-trained, competent staff dedicated to professional growth. While professional growth through participation in ongoing staff development activities is the responsibility of all employees, the encouragement for such professional growth is a College obligation. Therefore, the College is

committed to the development and scheduling of appropriate staff development activities which will enable employees to effectively meet their responsibility.

An effective staff development program which meets identified student, College, and personal needs must:

- serve all employees;
- meet the identified needs of staff;
- provide an appropriate balance among skills training, skills maintenance, and program development; and
- provide for input from staff members in program development.

In accordance with this policy, the College will maintain a staff development program, committing time and available resources to enhance the skills and attitudes of its employees.

Jarvis Christian College recognizes that an appropriate orientation program can aid in the assimilation of new staff members into the College community and can also contribute to the continued growth of returning personnel.

The College provides mandatory orientation for all employees. Part-time faculty/staff members are also required to attend where they learn about issues that directly affect them as well. Each new employee receives information on the College's history, mission, vision and values, as well as Board directives and policies. In addition to this general information, each employee receives an orientation to their functional unit from their supervisor.

All employees shall participate in the in-service program. Failure to participate, unless a medical certificate attesting to illness is presented, or an emergency leave is granted, and the approval of the President, may constitute an instance of neglect of duty. In-service training programs shall address matters related to all aspects of the College community.

Employees of the College with at least one (1) year of service may take up to three (3) semester hours during the regular workday at Jarvis Christian College to increase their competence and/or work performance in their current position and to prepare them for advancement. A 50% discounted rate on actual tuition charged for those three (3) hours and a reduced, or waived, fee whichever is appropriate will be applied to the employee's account. This is subject to approval by the immediate supervisor, area and/or division chair, senior administrative officer, and the President. Employees may also take courses elsewhere as long as course sessions do not conflict or affect the employee's duty with the College.

Library Services

Books are loaned to faculty/staff for a two- week period, but may be re-checked after that time for further use. All books are subject to recall if needed by other patrons. Books charged to a faculty/staff member should not be loaned to students without a change of library record.

Spouses and children of faculty/staff members may charge materials out for the regular loan period and are liable for any lost book charges or fines incurred.

PERSONNEL**SECTION 3 – WAGE AND SALARY ADMINISTRATION - HR 3.9**

Fair Labor Standards Act

Jarvis Christian College is subject to the minimum wage and overtime pay provisions of the Fair Labor Standards Act of 1938, as amended.

Exempt Status

This position meets the FLSA tests for exemption from the timekeeping and overtime provision of the Act.

Nonexempt Status

This position does not meet the FLSA test for exemption from the overtime and timekeeping provision of the Act, and the employee must be compensated for overtime.

Minimum Wage

The Fair Labor Standards Act currently specifies that those employees covered by this law will be paid no less than the minimum wage.

Overtime Pay

The Fair Labor Standards Act requires (for those employees covered by the law) premium time payment for all hours worked over forty hours in a scheduled workweek. Compensatory time off may not be granted in lieu of cash compensation for hours worked in excess of forty hours per week unless the time off can be granted during the same pay period as the overtime worked. Prior approval by the immediate supervisor, senior administrative officer and the President of the College are required before committing Jarvis Christian College to overtime pay.

Payday

Full-time employees are paid on the last working day of the month.

Non-exempt employees are paid twice a month. Employees are responsible for submitting their hours worked via timesheets. Supervisors are required to approve employee timesheets and submit to the Payroll Office on or before the designated due date.

Administrative Office Hours

Normal office hours established for the College are 8:00 a.m. to 5:00 p.m. Monday through Friday, with one hour for lunch. The hours will be observed by all staff employees. A rotation schedule must be followed in administrative offices in an effort to provide service without closing the office during the lunch hour. The department head will assign the lunch hour. Alternate work schedule agreement form must be completed and on file in the Office of Human Resource for employees who do not work the normal office hours (i.e., residence hall coordinators, maintenance, and IT support)

Financial Exigency

General Statement of Policy

Should a condition of financial exigency or the threat of it ever exist at the College, the Board of Trustees and its standing committees, the President of the College ("President"), the administrative officers, and the appropriate committees participate in a manner consistent with their duties and purviews as defined in the By-Laws of the Board of Trustees.

Financial Exigency is an imminent financial crisis that threatens the survival of the College as a whole and that cannot be alleviated by less drastic means than reductions in professional staff including the termination of appointments. ("Termination" refers to the release of personnel through means other than non-renewal of contract: e.g., the early ending of an unexpired contract in the case of personnel or the release from contract of untenured/tenured faculty members).

Recommendation

Recommendation to the Board of Trustees whether to declare Financial Exigency is the sole prerogative of the President. President shall make a recommendation to the Board whether to declare financial exigency.

The Board of Trustees, alone, has the authority to declare a state of financial exigency.

PERSONNEL

SECTION 3 – OTHER WORK POLICIES- HR 3.10

Outside Employment (Staff)

Any full-time employee of the College may accept outside employment if it does not interfere with the regular assignment, duties, and responsibilities. Outside employment during a working day of the employee must be requested in writing by the employee and approved by the supervisor and the College President. Faculty will need to refer to Faculty Handbook.

Consultant Work

Care should be taken that the College is not used as a vehicle for personal gain beyond the designated College compensation. Ordinarily, when a fee or honorarium is paid for services, employees must take vacation or leave without pay for time absent to perform professional services or consulting work for other institutions or organizations. In this instance, all expenses involved are the responsibility of the employee, for the employee is deemed to be personally engaged rather than a designated College representative. Conversely, when no fee or honorarium is paid for professional services or consulting work, employees may be granted leave with pay for time absent to perform professional services or consulting work. *In this instance, if funds are available, the college may assist with the expenses involved when these external services are determined to be on behalf of the college.* In no case should employees giving speeches, performances, consultations, or provide like services on behalf of the College and charge the receiving institution, however, donations to the College on behalf of these services may be accepted.

PERSONNEL
SECTION 3 – ATTENDANCE POLICY - HR 3.11

Jarvis Christian College endeavors to keep employee attendance at a maximum and absences at a minimum. However, Jarvis Christian College realizes that absences are unavoidable, and therefore, allows certain absences with or without pay.

Responsibilities of all Employees

Every employee of Jarvis Christian College has the following obligations and responsibilities concerning absence, regardless of regular or temporary status, position or work assignment, and regardless of eligibility or non-eligibility for absence pay allowance, or regardless of whether it is a regular scheduled work day or non-scheduled work day.

Advance Notice

When the need for being absent from work is known in advance, the employee must notify the supervisor at least five days in advance.

Notice of Unexpected Absence

When an employee who has not given advance notice finds that it cannot be given, the employee or someone else must notify the immediate supervisor before starting time or within the first hour of the normal work schedule.

Tardiness/Absence Guidelines

Punctuality and regular attendance are important factors in consideration for job retention and advancement. Excessive tardiness and absences are subject to disciplinary action. Any employee who is tardy more than five times or three unexcused absences in a twelve (12) month period will be subject to disciplinary action and/or dismissal. Unless an absence has been authorized in advance, or an absence is either unavoidable or justifiable, every employee is expected to report for scheduled work. In all cases an executed Absence Report Form should be submitted to the Human Resources Office.

Failure to Give Notice

Failure of an employee to give the notice required in the paragraphs as stated above, unless manifestly impossible, shall constitute cause for reasonable disciplinary penalty, including cause for denial of absence pay allowance, suspension, or dismissal.

PERSONNEL
SECTION 3 – CONFLICT RESOLUTION/GRIEVANCE PROCEDURE - HR 3.12

Grievance Procedure

Jarvis Christian College is committed to providing the best possible working conditions for all employees. This commitment strives to ensure that all employees are treated fairly in all matters relating to their employment. If a problem or concern cannot be resolved at the supervisor, department chairperson or vice president's level, then the employee can make a written request to the Human Resources Director or Vice President for Fiscal Affairs* to have their concerns heard by the Grievance Committee. The grievance procedure commences only after all informal means have been exhausted through the lines of communication and authority and is available only to full-time non-probationary employees of the College. Employees have a right to

participate in the established grievance process without fear of reprisal. However, please understand that all problems cannot be successfully handled to the exclusive satisfaction of all parties involved. The faculty, staff, and administration of Jarvis Christian College maintains that if all affected individuals, and groups, work collaboratively many situations can be resolved to the general satisfaction of all involved.

If a situation occurs when employees believe that a condition of employment or a decision affecting them is unjust or inequitable, they are encouraged to make use of the following steps:

1. Employee presents grievance to immediate supervisor after the incident occurs. A written grievance statement should be submitted to the supervisor outlining the following:
 - a. nature of the grievance and facts upon which it is based;
 - b. the law(s), rule(s), regulation(s), policy(s) or procedure(s), if any, alleged to have been violated;
 - c. the remedy or relief requested.

If the supervisor is unavailable or employee believes it would be inappropriate to contact that person, the employee may present the problem to the next level of management. This statement must be submitted within ten (10) working days following the event on which the grievance is based.

2. Supervisor responds to problem during discussion or after consulting with appropriate management, when necessary. The supervisor should give his or her written response within ten (10) working days after statement is received. All documentation should be forwarded to the Human Resources Director for retention.
3. If the employee is dissatisfied with the supervisor's response, a written appeal stating the reasons for continued dissatisfaction may be made to the next level or division vice president. Copies of the grievance statement and the supervisor's response should be attached. This appeal should be submitted within (10) working days of the supervisor's response. A copy of the appeal and all attachments should be forwarded to the Director of Human Resource.
4. The area manager if applicable, or vice president receiving the appeal will investigate the grievance. This may include meetings with the employee, supervisor, and the Human Resources Director. After reaching a decision, the area manager or vice president will send a written response to the employee within (10) working days after receipt of the appeal. A copy of the decision will be sent to the Human Resources Director including proposed sanction, if any.
5. If the employee is dissatisfied with the vice president's response, a written appeal stating the reasons for continued dissatisfaction may be made to the Human Resources Director for submittal to the Grievance Committee within (5) working days of the vice president's response. This appeal includes a statement of the resolution sought and copies of all previously written statements concerned with the case.
6. The Human Resources Director will notify the President of the appeal to the grievance committee. The President will review the grievance committee to insure that the

committee is composed of faculty/staff members not previously involved in the process. Copies of documents provided to the President will be transmitted to the committee. A hearing will be scheduled within (5) working days.

7. The committee will meet, select a recorder and review the case. The committee moves to conduct an investigation with access to all pertinent files, records, interviews with faculty, staff and administrators as appropriate. The committee will submit a report to the President within (5) working days recommending the following:
 - a. Rejection of the complaint (i.e. for insufficient grounds or appropriate action previously rendered) or
 - b. Acceptance of the complaint, with recommended sanction.
8. The President reviews the file and accompanying recommendation and gives the grievant and the accused employee written notification of the disposition of the case within (5) working days of the receipt of the committee's recommendation.

**In the absence of the Human Resources Director, the Vice President for Fiscal Affairs will serve in that capacity.*

SECTION 3 – DISCIPLINE POLICY AND PROCEDURES - HR 3.13

It is the policy of Jarvis Christian College to keep open the lines of communication between the administration and employees and to establish a friendly, cooperative work environment that will eliminate serious disciplinary problems.

The President will provide directors, supervisors, managers, and coordinators with the necessary preparation and training to maintain an efficient and productive work force to enable them to recommend appropriate disciplinary actions against employees as warranted.

All employees are expected to perform their work efficiently and effectively and to be mindful of the public's expectations of the College and its employees. Supervisors are expected to set an example by their own conduct, attitude and work habits.

If, however, disciplinary problems arise, supervisors should make every effort to ensure that employees have a thorough understanding of the College's policies and an awareness of what is expected in the area of job performance.

It is the intent of this policy to ensure that supervisors are consistent in taking disciplinary action against employees involved in similar situations.

Purpose of the Policy

The purpose of this policy is to provide guidelines for disciplinary action to ensure that everyone is treated fairly and that there is due process. Application of these guidelines must be consistent and equitable so that all employees receive like treatment for similar offenses.

The following procedures have been developed to ensure compliance and consistency with all regulations that pertain to disciplinary action at Jarvis Christian College.

Reporting Procedures

All employee disciplinary issues shall be reported to the Human Resources Director who will proceed with the following actions:

- 1) Inform the President or designee of the personnel issues immediately
- 2) Investigate the matter as directed
- 3) Make appropriate recommendations to the President or designee in writing as deemed necessary

All supporting documentation shall be included.

Disciplinary Action Process

The basis of effective employee discipline is knowledge and acceptance of performance responsibilities which are to be understood by both the supervisor and the employee. This will ensure that the employee will be forewarned that failure to meet job responsibilities will result in some form of disciplinary action by the College. The employee should also be told that the severity or impact of the offense determines the degree at which disciplinary action will be administered. Failure by an employee to meet job responsibilities should result in immediate and consistent action by the supervisor; that is, the infraction should be called to the employee's attention as soon as possible after the offense occurs. The disciplinary action recommended for a particular offense should be the same for all employees. When it is necessary for the supervisor to take disciplinary action, he/she must remember that the disciplinary action is directed at a particular act of the employee and is not directed at the employee as a person.

Disciplinary Infractions

- (1) Minor Infraction
 - a. Verbal Counseling
 - b. Written Statement (i.e. written warning)
- (2) Major or Serious Infraction
 - a. Employee Disciplinary Referral
 - b. Consultation
- (3) Severe Infraction
 - a. Immediate Suspension with pay pending HR investigation
 - b. Possible Termination/Dismissal

The following are disciplinary actions which may be taken, and they are listed in order of severity with the least severe action listed first:

- (1) For a *minor infraction*, an employee should receive *verbal counseling* provided by the immediate supervisor concerning the reasons why the infraction was unacceptable behavior or work performance. The employee should be advised as to what is considered appropriate behavior/work performance. If it becomes necessary to give an employee another warning, a *written statement* should be made and placed in the employee's file maintained by the supervisor.

- (2) If the offense continues, or a *major or serious infraction* occurs, an *Employee Disciplinary Referral* should be issued to the employee which should include the following: 1) the time, date, and other facts about the incident which are pertinent; 2) a description of the offense; 3) the actions required on the part of the employee to correct the situation to prevent it from reoccurring; and 4) documentation of any previous oral or written warnings relating to the same type of events. This memorandum should be maintained in the supervisor's office files. The employee may respond to this memorandum. Any response by the employee shall be attached to the memorandum.

In such cases, the signature of the employee is required to acknowledge receipt of the written warning. It does not indicate concurrence with the information contained in the warning. Copies of written warnings should go into the files and a copy should go to the employee. If the employee fails to improve by the date given on the warning, other disciplinary action, including termination, may result.

Consultation. Following a written warning, the immediate supervisor should consult with the employee to check on progress and improvement in the problem area. Consultations should be documented accurately as to the dates and outcomes of the meetings.

- (3) Should the offense be extremely serious, or if the offense continues after written notice, or if all of the above fail to produce results, a meeting should be scheduled with the Human Resources Director and the employee file forwarded to the Human Resources Director documenting the course of events leading up to disciplinary action. This will result in a disciplinary suspension with possible loss of pay for a limited time, reduction in pay for a limited time, or removal from current position. The actual order for such disciplinary purposes must be in writing, and the reasons why the action is taken must be explained in detail in a letter to the employee.

Before such disciplinary action involving the loss of pay occurs, a preliminary review must be held by the Human Resources Director that affords the employee an opportunity to review the charges and provide to the administration reasons why the action should not be taken.

- (4) All disciplinary actions shall be carefully reviewed by the Human Resources Director.
If a supervisor believes that one of these actions is justified based on the employee's failure to perform job responsibilities or comply with work rules, he/she may recommend a certain action to the President after the on-site investigation or after the investigation performed by the Human Resources Director. The final decision regarding the nature of a disciplinary action will be that of the President and may result in dismissal.
- (5) The ultimate sanction is dismissal, and this step should be considered only after other means have been exhausted: The events leading up to dismissal shall be of such magnitude and of such a serious nature that termination is in order. Dismissal can be accomplished only after a review process that affords the employee opportunity to review recommended action and provides to administration reasons

why the action should not be taken. Final review and approval of all disciplinary actions will be the responsibility of the President.

- (6) *Severe Clause*: If circumstances are such that an employee is being dangerously disruptive; is creating a hazard to herself, other employees, or the workplace; is creating excessive disturbance in the workplace; or if the circumstances are severe (i.e., gross insubordination, intoxication on the job, sexual relations with a student, pending criminal charges, racial slurs, excessive use of force against a student, etc.) then the immediate supervisor has the authority to impose an immediate suspension with pay pending an investigation by the Human Resources Director. The supervisor who imposes suspension **MUST** then immediately notify the Human Resources Director and provide proper documentation to ensure the required paperwork is completed in a timely manner.

The following factors are to be considered in determining severity of action:

1. Employee's work history,
2. Previous infractions,
3. Severity of infraction,
4. Extent of disruption or impairment to service,
5. Extent of damage to the College, and/or
6. Extent of damage to campus property or the property of others.

A disciplinary action can be imposed for any disruptive behavior, which is any activity that severely impairs the fulfillment of the College's responsibilities; or which causes unsafe, severely inefficient, harassing or threatening work environment; or which severely damages the College's public image or credibility; or which involves disrespectful or threatening conduct to or about other employees or the general public. The following list of behaviors **IS NOT ALL—INCLUSIVE**, but it is intended to serve as a general guide:

- Failure to perform job responsibilities during work time
- Excessive tardiness (which may be defined as an hour or more late in reporting to duty or a continuous occurrence of this infraction)
- Unexcused absenteeism
- Leaving without permission
- Malicious use of profane language

POLICIES

SECTION 4.0 – ETHICAL CONDUCT POLICY - HR 4.1

General Ethical Conduct

Each employee is expected to exemplify the following characteristics: self-discipline, respect for the rights of others, honesty, and personal integrity. Employees should also possess the physical stamina and clarity of mind necessary to fulfill obligations within the area of their professional responsibility and academic competence. Additionally, they should strive to establish a spirit of cooperativeness and should be responsive to the leadership of the administration.

Employees are not to access, acquire, use, copy, transfer or disclose confidential information including but not limited to academic records, personnel, and other financial information-except to the extent necessary to fulfill their employment duties. All appropriate action, whether by instruction, agreement, or otherwise, to insure the protection, confidentiality and security of all such information.

Code of Ethics

The same respect for the pursuit and transmission of knowledge that underlies academic freedom also demands self-discipline and rigorous intellectual honesty from all faculty/staff/staff members. They are obligated to be fair, unselfish, responsible, and on occasion self-critical. Students' moral and intellectual growth requires a climate where ethical standards prevail, and the creation of such a climate is a primary responsibility of the faculty/staff/staff. The following statements do not define all areas of faculty/staff ethics, but they do suggest guidelines for professional conduct for the faculty/staff/staff at Jarvis Christian College.

1. The primary responsibility of the faculty/staff/staff member is the transmission and discovery of knowledge.
2. The general attitude of the faculty/staff member toward the rules and regulations of the College should be one of understanding and support. However, when rules seem unjust, the faculty/staff member may take the prescribed steps to alter or remove them.
3. When there is conflict of ideas or activities between faculty/staff members, they should discuss problems in a professional manner. If a solution cannot be found by this means, the matter should be presented to the appropriate administrative officer, who shall act as arbiter.
4. In advising students about the selection of courses, faculty/staff should be careful to deal fairly with the reputations of their colleagues.
5. When faculty/staff observe a student committing an infraction of a College regulation, it is their responsibility to speak to the student on the subject. The nature of the infraction determines whether it should be reported for disciplinary action.
6. Faculty/staff members should refrain from counseling in fields in which they have not had special training. If situations arise requiring special counseling, students should be directed by faculty/staff to the appropriate office.
7. Only the chairperson or secretary of a faculty/staff committee is authorized to make announcements of committee actions. No committee member should reveal information of a sensitive nature (or any information about personnel matters) in such a way as to prejudice and jeopardize committee deliberations and recommendations.
8. Faculty/staff members should be actively concerned with those aspects of the general welfare of their students that affect the education process.
9. Faculty/staff should not tutor students for pay except under conditions known and approved by responsible authorities.

10. Faculty/staff members should make their abilities and influence available for service to the community.
11. Faculty/staff members should not undertake external activities, which would interfere with the performance of their duties at Jarvis Christian College.
12. Faculty/staff should refrain from making public statements about confidential subjects within Jarvis Christian College. They should maintain in strict confidence all departmental or institutional matters not intended for publication or broadcast.
13. Because of the position of trust they occupy faculty/staff members must be careful to avoid any behavior which could be considered sexual harassment and relationships with students which are considered improper. Please refer to the College Policy on Sexual Harassment.

This policy is designed chiefly to serve as a guide for employees to avoid possible conflicts between their employment and outside interests. In those situations where doubt may exist as to the propriety of certain relationships or activities, employees are encouraged to make a full disclosure of the facts to his/her immediate supervisor, the Human Resources Director, or the President prior to entering such relationships or engaging in such activities. In addition, employees shall not:

** Use institutional privileges for private gain.*

Solicit or receive compensation, other than that allowed by law, for performance of his/her duties. This precludes, among other things, acceptance of any gratuities, gifts, or favors that might impair or appear to impair professional judgment; and any personal dealings with any individual or entity with whom he/she has any direct or indirect contact for purposes of obtaining from such individual or entity, noncompetitive contracts, services, or materials.

Knowingly authorize or employ the authority or influence of his/her office to secure authorization of any public contract in which he/she, a member of his/her family, or any of his/her business associates has an interest.

** Offer any favor, service, or thing of value to obtain special advantage.*

** Permit commercial exploitation of his/her professional position.*

** Engage in selling any of the following merchandise or services for personal profit to students or parents not approved by the administration, including but not limited to, instructional supplies and equipment, reference books, educational tours, etc..*

** Furnish lists of students or parents to anyone selling such materials or services.*
Employees will use time granted for leave, planning and workshops for the purpose for which it is intended.

POLICIES**SECTION 4.0 – NEPOTISM POLICY - HR 4.2**

Nepotism

Jarvis Christian College seeks to foster an environment where people are treated with respect and trust. Employment of family members may be problematic because such situations can create a conflict of interest, an appearance of favoritism, and increased potential for a hostile work environment. Because of these concerns, the College is sensitive to circumstances in which relatives of employees might be hired, transferred, or promoted to positions where one relative might have influence over any of the following: a relative's employment, performance review, salary administration, promotion, or other employment-related decisions.

The College requires full disclosure of any relationship to the Human Resources Office at the time of employment or at any time that it occurs in the course of employment. Relationships covered by this policy include: spouse, spousal equivalents, parents, grandparents, brothers, sisters, children, grandchildren, aunts, uncles, nephews, nieces, and relatives by marriage (in-laws).

POLICIES**SECTION 4.0 – CONFLICT OF INTEREST POLICY - HR 4.3**

Conflict of Interest Policy

The purpose of this policy is to establish basic terms and conditions regarding conflict of interest. Employees must refrain from any circumstances whereby the employee will benefit or could be perceived to benefit as a result of the employee's position with Jarvis Christian College, actions or influences, and/or where advancement of those interests are detrimental to the interests and/or reputation of, or potentially harmful to the College.

Specifically:

- An employee shall not accept money, gifts or favors from a student that could compromise or be perceived to compromise the ability of the employee to instruct and evaluate the student in a fair and effective manner.
- An employ shall not accept money, gifts or favors from vendors that could compromise or be perceived to compromise the ability of the employee to conduct business in a fair and equitable manner.

POLICIES**SECTION 4.0 - SEXUAL HARASSMENT AND DISCRIMINATION POLICY - HR 4.4**

SEXUAL HARASSMENT POLICY

Jarvis Christian College is committed to maintaining an environment free of discrimination or forms of harassment that unreasonably interfere with the security, well-being, or academic

experience of any member of our community. Sexual harassment on Jarvis or in other settings related to Jarvis employment or enrollment is unlawful and will not be tolerated. Jarvis will respond promptly to formal complaints of sexual harassment and, where it is determined that sexual harassment has occurred, will act promptly to eliminate the conduct and impose such corrective action as is necessary, including disciplinary action where appropriate. This policy applies to all activities of Jarvis, including any Jarvis sponsored activities away from the campus.

While this policy sets forth Jarvis' goal of promoting a work and educational environment that is free from harassment, the policy is not designed or intended to limit Jarvis' authority to discipline or take remedial action for conduct that Jarvis deems inappropriate or unacceptable, regardless of whether that conduct satisfies the legal definition of harassment.

Definition of Sexual Harassment

Both federal and state laws define and prohibit sexual harassment in employment and in the provision of educational services to students. In Texas, the legal definition of sexual harassment is as follows: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

1. submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment,
2. submission to or rejection of such conduct by an individual is used as the basis for employment, grading, or academic decisions affecting such individuals, or
3. such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Under these definitions, direct or implied requests by a supervisor, professor, athletic coach or trainer, or other individual responsible for work or academic evaluations for sexual favors in exchange for actual or promised job or academic benefits constitutes sexual harassment. Benefits include grades, academic assignments, research opportunities, favorable reviews and recommendations, salary increases, promotions, increased benefits and continued employment or enrollment.

Sexual harassment can occur between individuals of the same gender and regardless of sexual orientation. The same standards that apply to harassment between individuals of the opposite sex apply to harassment involving individuals of the same sex.

The legal definition of sexual harassment is broad, and, in addition to the above examples, other sexually-oriented conduct may also constitute sexual harassment. Whether intended or not by the person engaging in the conduct, sexually-oriented conduct that is unwelcome and has the effect of creating an environment that is hostile, offensive, intimidating or humiliating to another on the basis of sex may also constitute sexual harassment.

Commitment to Academic Freedom

As an academic institution, teaching, doing research, and learning are subject to the protections of "academic freedom." Actions or words used in the context of the academic curriculum and teaching environments that serve legitimate and reasonable educational purposes will not be

evaluated as sexual harassment or other unlawful discrimination because of the principles underlying academic freedom.

Examples of Conduct

While it is not possible to list all circumstances that constitute sexual harassment, the following are some examples of conduct that may constitute sexual harassment depending upon the totality of the circumstances, including the severity of the conduct and its pervasiveness:

- Unwelcome sexual advances – whether they involve physical touching or not;
- Threats or insinuations that a person's employment, wages, academic grade, promotional opportunities, classroom work assignments or other conditions of employment or academic life may be adversely affected by not submitting to sexual advances;
- Dissemination of sexually explicit voicemail, email, graphics, downloaded material or web sites;
- Unwelcome sexual epithets, sexual jokes, written or oral references to sexual conduct, gossip regarding one's sex life;
- Unwelcome comment about an individual's sexual activity;
- Displaying sexually suggestive objects, pictures or cartoons;
- Unwelcome leering, sexual behavior, or sexual gestures;
- Unwelcome inquiries into another's sexual experiences;
- Unwelcome discussion of one's sexual activities;
- Creating a hostile environment for others by engaging in harassing conduct that affects the workplace, or the teaching or research environment or work assignments, compensation, and/or benefits. In addition to the conduct described above, romantic involvement (even if consensual) between supervisors and subordinates or between a faculty member and a student may create a hostile environment.

Depending on the totality of the circumstances and the nature of the complaint, the fact that a relationship began as a consensual relationship may NOT be a defense to a claim of sexual harassment.

Reporting Sexual Harassment Allegations

If you have supervisory responsibilities and possible harassment or other violations of this policy are reported to you, whether or not the person making the report is personally affected, you must immediately advise the Director of Human Resources verbally, written or both.

If you are a faculty member who receives information from a person who believes that she or he is being or has been sexually harassed, you must immediately advise the Director of Human Resources.

If you are a student, contractor, or employee without supervisory responsibility who has been harassed, witnessed another being harassed, or become aware of harassment, you should contact the Director of Human Resources, a supervisor, or a faculty member for assistance with the situation.

This reporting will result in an evaluation of how best to respond and can include informal resolution, intervention, or filing of a formal complaint (see below). Be aware that the complainant's interest in confidentiality and the reputation of the accused are of equal importance at every stage of considering information shared.

Informal Resolution and Opportunities to Ask Questions

An individual who believes he or she has been subjected to sexual harassment is advised to make it clear to the offender that such behavior is offensive. Early informal methods are often effective in correcting questionable behavior or resolving incidents of possible harassment. A person seeking assistance with an informal resolution should contact Jarvis' Human Resources Department.

Formal Complaint

An individual who believes that he or she has been subjected to harassment may file a formal complaint with Jarvis. This may be done in writing or orally by contacting the Director of Human Resources. If the Director is unavailable or if circumstances make it more appropriate, the complaint may be filed with the CFO/Vice President of Finance and Administration; Provost/Vice President Academic Affairs; Vice President Institutional Advancement and Development; Vice President Student Services; Vice President of Institutional Effectiveness, Research, Planning Assessment and SAS Liaison; or Executive Assistant and Director of Administrative Management Programs. These individuals are also available to discuss any concerns related to sexual harassment and to provide information about Jarvis' policy on harassment and its complaint process. All formal complaints shall be forwarded to the Director of Human Resources immediately.

Complaint Investigation

When Jarvis receives a formal complaint, it will promptly investigate the allegation. An investigation will determine facts that support findings about the complaint. The investigation generally will include interviews with: (1) the complainant; (2) the accused (the "respondent"); (3) witnesses (if any and if deemed necessary by Jarvis); and others as determined by the investigator.

All employees and students are expected to cooperate fully in efforts to investigate and enforce this policy. When Jarvis has completed the investigation, the findings of the investigation will be shared with the complainant, the respondent, and others involved to the extent appropriate.

The investigation shall be conducted by Jarvis' Sexual Harassment Investigation Committee, which shall be appointed by the President.

Confidentiality

Jarvis recognizes that confidentiality is very important. All actions taken to investigate and resolve complaints shall be conducted with as much privacy, discretion, and confidentiality as possible without compromising the thoroughness and fairness of the investigation. All persons involved in an investigation are expected to treat the process with respect and to hold information confidentially. Information about individual complaints and their disposition will be shared only on a "need to know" basis. However, even informal efforts to end harassment may

require that an accused harasser learn of the identity of the complainant. Jarvis will work closely with students or employees to ensure their ability to complete their academic program or continue to work during all stages of handling an informal or formal complaint of sexual harassment.

Disciplinary Action

If it is determined that an employee or student has engaged in sexual harassment or other inappropriate conduct, Jarvis shall take appropriate actions under the circumstances. Such action may include written warnings, required counseling, probation, suspension, termination, or expulsion, and it may include such other forms of disciplinary action, as Jarvis deems appropriate. Likewise, if it is determined that a complainant invoked the investigatory process in bad faith or knowingly presented false or misleading information, appropriate disciplinary action will be taken. Alleged crimes may be referred to the appropriate law enforcement authorities notwithstanding the status or outcome of any investigation or appeal.

Appeals

The Complainant or Accused may appeal the results of any investigation or disciplinary action by filing a notice of appeal with the Director of Human Resources within fifteen (15) days of receiving the results of the investigation or disciplinary action. Within ten (10) days of receiving the appeal, the Director of Human Resources shall assemble an Appeal Review Panel to review any investigation results or disciplinary action that is timely appealed. The Appeal Review Panel shall consist of three members. If the Accused is a student, the Appeal Review Panel shall consist of the Provost, Vice President of Student Services, and a person appointed by the President. If the Accused is a faculty member, the Appeal Review Panel shall consist of the Provost, the Chair of an Academic Department other than the Accused's Chair, and a person appointed by the President. If the Accused is an employee or contractor, the Appeal Review Panel shall consist of the highest officer in the employee's chain of command under the President, a supervisor who does not supervise the Accused, and a person appointed by the President. If the Accused is a direct report to the President, the Director of Human Resources shall transform the notice of appeals into a notice of second level appeal.

The Accused and Complainant shall both be provided the opportunity to present evidence and make a statement to the Appeal Review Panel. The Accused and Complainant shall not be present while the other is presenting evidence, unless permitted by the Appeal Review Panel in limited circumstances. The Appeal Review Panel may request evidence, including testimony from witnesses, that it believes is relevant. Within thirty (30) days of the conclusion of its independent investigation, the Appeal Review Panel shall issue a report agreeing with the original decision or replacing the original decision with its own.

The Complainant or Accused may appeal the determination of the Appeal Review Panel by filing a notice of second level appeal with the Director of Human Resources within ten (10) days of receiving the decision of the Appeal Review Panel. Second level appeals, along with the initial investigation and complete file from the Appeal Review Panel, shall be forwarded to the President for final determination. The President shall issue his/her final decision within thirty (30) days of receiving the second level appeal. If the President believes further evidence is required, he/she shall provide notice of his/her tentative schedule for decision to the Complainant and Accused within the original timeframe.

No Retaliation for Filing or Assisting with a Complaint of Sexual Harassment

Retaliation against any individual for making a good faith complaint of sexual harassment or for assisting in good faith in the investigation of such a complaint is illegal and will not be tolerated. All acts of retaliation are subject to disciplinary actions, up to and including termination and expulsion. Individuals who believe they have been subjected to retaliation should immediately report their concerns to the Director of Human Resources. The Director of Human Resources shall document the new formal complaint and begin a new investigation of the retaliation allegation. The investigation and appeals shall be conducted pursuant to this policy.

Commitment to Awareness and Response Training

Jarvis provides regular sexual harassment awareness and response training programs for supervisors and individuals identified with responsibilities in this policy. Additionally, Jarvis informs the community about what constitutes sexual harassment, as well as its commitment to zero tolerance to sexual harassment.

State and Federal Agency Complaints

In addition to the above, an individual who believes he or she has been subjected to harassment may file a formal complaint with government agencies with jurisdiction. Using the Jarvis' complaint process does not prohibit an individual from filing a complaint with any of these agencies. Claims filed with the U.S. Equal Employment Opportunity Commission ("EEOC") must be filed within 300 days from the date of the alleged violation.

Related Matters

This policy was updated in December 2013 and supersedes all prior Jarvis policies on sexual harassment.

POLICIES**SECTION 4.0 – TITLE IX POLICY - HR 4.5**

TITLE IX POLICY**I. Policy Statement**

Title IX of the Education Amendments of 1972 is a federal civil rights law that prohibits discrimination under any education program or activity receiving federal financial assistance (i.e., any academic, extracurricular, athletic, housing, or any other program or activity). This protection extends to conduct that occurs both on and off campus. This policy also addresses the requirements of the Campus Sexual Violence Elimination Act, or Campus SaVE Act, a 2013 amendment to the federal Jeanne Clery Act.

It is the policy of Jarvis Christian College to provide equal employment and educational opportunities to students, parents, employees, and any parties having business with the College. Jarvis is committed to maintaining a positive learning, working, and living environment that promotes personal integrity and respect in an environment free of discrimination and harassment, particularly on the basis of sex, which includes all forms of sexual discrimination, sexual harassment, or sexual violence, such as rape, sexual assault, sexual battery, sexual coercion, and sexual exploitation or misconduct. Sex discrimination violates an individual's fundamental rights and personal dignity, and Jarvis Christian College considers sex discrimination in all its forms to be serious. The College does not discriminate on the basis of race, color, national origin, religion, age, sex, marital status, ethnic origin, covered veteran status, disability, or any other basis protected by law.

To ensure compliance with Title IX and other federal and state civil rights laws, the President has designated a Title IX Coordinator as the primary contact responsible for developing, adopting, and/or assuring the dissemination of policies and procedures that prohibit sex discrimination in all of its forms; however, each member of the College shares common responsibility to maintain an environment free from discrimination and harassment. This policy was created to address issues of student sex discrimination, employees who feel they have been treated unfairly based on sex, and/or third parties that feel they have experienced some form of sex discrimination.

Mandatory Reporting

Jarvis Christian College encourages any student or employee, who believes that he/she has been subjected to discrimination or sexual harassment, to report the incident(s) to the Title IX Coordinator. Students may feel more comfortable seeking assistance initially through the Office of Student Affairs to seek all available assistance, and where appropriate, to pursue criminal prosecution of the offender; however, the incident(s) must ultimately be reported to the Title IX Coordinator.

The College encourages timely reporting of any incident(s) of this nature. All employees must promptly report any information they have about alleged or possible sexual harassment, sex-based discrimination, or sexual misconduct involving students or employees to the Title IX Coordinator. The exception would be those employees who are statutorily prohibited from reporting such information, including licensed health-care professionals and members of the clergy. The College is committed to investigate all alleged and/or suspected violations of this policy to the fullest extent possible and will respond promptly, equitably, impartially, and fairly.

Jarvis Christian College takes complaints very seriously and will work with complaining parties to ensure their safety and to remedy the situation. See *Student Handbook* or the *Administrative Handbook* for more information.

Reporting Allegations

If you have *supervisory responsibilities* and possible harassment or other violations of this policy are reported to you, whether or not the person making the report is personally affected, you are obligated to immediately advise the Title IX Coordinator, either verbally or in writing, or both. Emails are acceptable.

If you are a *faculty member* who receives information from a person who believes that he/she is being or has been sexually harassed, you must immediately advise the Title IX Coordinator.

If you are a *student, contractor, or employee* without supervisory responsibility who has been harassed, witnessed someone else being harassed, or became aware of harassment, you should contact the Title IX Coordinator, a supervisor, or a faculty/staff member for assistance with the situation, who should then report it to the Title IX Coordinator immediately.

Reporting Process

1. The student or employee who files a complaint alleging sexual discrimination, sexual harassment, or sexual misconduct, (the “complainant”), may submit a written statement of allegations which clearly and concisely describes the alleged incident(s), when and where it occurred, and the desired remedy sought, or they must complete the form attached, *The Notice of Sex or Gender-based Misconduct, Discrimination, or Harassment*. If the complainant does not submit a written statement, the person receiving the complaint shall prepare a written report of the facts that describes the alleged incident(s), when and where it (they) occurred, and the desired remedy sought. This statement should be approved and signed by the complainant, and it should be submitted to the Title IX Coordinator immediately.
2. This reporting will be reported to the President immediately.

3. Trained Title IX Investigators will be notified by the Title IX Coordinator of the suspected or alleged violation of this policy, and they will form a committee (the “Committee”) and conduct the investigation to determine if a violation has occurred and recommend resolution(s).
4. The complainant and the person accused of misconduct, (the “respondent”), will be informed of the investigation and notified of their interview times. They may offer a list of witnesses at this time.
5. The Committee will meet with the complainant and the respondent, along with other witnesses identified throughout the investigative process.

NOTE: Audio or video recording of any proceedings is prohibited by any party other than the College throughout the investigative process.

6. The Committee will make a determination of whether a violation of policy occurred or not, based on the preponderance of the evidence (i.e., it is more likely than not that a violation occurred).
7. A written report will be prepared and submitted with a determination of “violation” or “no violation” of policy, as well as recommended corrective action(s) and/or remedies appropriate for the determination, if warranted.
8. Typically, an investigation will be completed within 60 days from the date on which the complaint was filed or the date the College became aware of a suspected violation of this policy. Within seven (7) business days of the conclusion of the investigation, both the complainant and the respondent will be informed of the outcome of the investigation.
9. Depending on the finding(s), a Review Team may be asked to review the case and present their findings.
10. Appropriate sanctions for violation of policy will be imposed.

NOTE: Graduation, study abroad, internships, or other extenuating circumstances do not, in and of themselves, constitute exigent circumstances, and the accused may not be able to participate in those activities during the investigation process.

Making an Appeal

The complainant, respondent, or College may appeal the findings and/or sanctions by petitioning the Title IX Coordinator within five (5) business days of receiving the results of an investigation. Appeals must include relevant new information for consideration, which should include information that was unavailable at the time of the decision, concerns about procedural errors, or concerns about the level of sanction imposed according to the policies of the College. Disagreement with the findings of an investigation is not sufficient grounds for an appeal.

The College as Complainant

If the College becomes aware of conduct which may violate this policy, the College will commence its own investigation and/or remedial actions. In matters alleging sexual harassment and/or sexual misconduct, the Title IX Coordinator will investigate the allegations to the extent possible, even without the cooperation of the party against whom the alleged harassment or conduct was directed.

In situations where the student or employee does not want to file a complaint or does not request that the College take any action, if the College has knowledge of possible sexual harassment or sexual violence, it will investigate the matter promptly to determine what occurred and then take appropriate steps to resolve the situation.

The complainant's interest in confidentiality and the reputation of the accused are of equal importance at every stage of this process in considering information disclosed during this process.

II. Confidentiality

All inquiries, complaints, and investigations are treated with the utmost discretion, and all information (i.e., documents, correspondence, and notes of interviews and discussion related to the investigation of a complaint will be maintained, on a need-to-know basis, to the extent permitted by law or policy. However, during the investigation process, the identity of the complainant is usually disclosed to the person(s) accused of such conduct and to relevant witnesses to investigate meaningfully, take corrective action, comply with the intent of this policy, and/or fulfill the College's legal obligations. Publicizing information about alleged sex discrimination or sexual violence is strictly prohibited and is considered a violation of College policy. The Title IX Coordinator shall maintain all information pertaining to a complaint or investigation in secure files.

Campus Security officials have a duty to report violations of this policy for federal statistical reporting purposes. However, all personally identifiable information is kept private, but statistical information must be passed along to Campus Security officials for publication in the annual Campus Security Report regarding the type of incident and its general location (i.e., on or off-campus or in the surrounding area); however, no addresses are given. This report helps to provide the community with a clear picture of the extent and nature of campus crime, to ensure greater community safety.

III. Definitions and Terms

Complaint – an allegation of discrimination, harassment, or misconduct made under this policy

Complainant – any person making or filing a claim of discrimination, harassment, or misconduct under this policy, which may include faculty, staff, students, applicants for employment, or any other individual participating in campus sponsored activities, events, projects, or programs

Consent – a knowing and voluntary agreement between participants, expressed by words or by actions, to engage in sexual activity.

Examples of consent are listed below:

- Consent to participate in sexual activity is freely and actively given, and requires clear communication between all persons involved in the sexual encounter.
- Consent is active, not passive. Consent can be communicated verbally or by actions, but in whatever way consent is communicated, it must be mutually understandable. Silence, in and of itself, cannot be interpreted as consent.
- Consent cannot be given by a person under the age of 17.
- It is the responsibility of the initiator of sexual contact to make sure they understand fully what the other person involved in the activity wants and does not want sexually.
- Consent to one form of sexual activity does not imply consent to other forms of sexual activity, and past consent to sexual activity does not imply present or future consent.
- Previous relationships do not imply consent.
- Consent cannot be procured by use of physical force, compelling threats, intimidating behavior, or coercion. Coercion is unreasonable pressure for sexual activity. Coercive behavior differs from seductive behavior based on the type of pressure someone uses to get consent from another.
- Consent cannot be given by mentally disabled individuals, or persons incapacitated as a result of consumption of drugs or alcohol, other intoxicants, sedatives, or “date-rape” drugs. If you have sexual activity with someone you know to be—or should know to be—mentally or physically incapacitated (by alcohol or drug use, unconsciousness or blackout), you are in violation of this policy.

Dating Violence – violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; or the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship, or the frequency of interaction between the persons involved in the relationship

Discrimination – conduct that excludes an individual from participation in or denies an individual the benefits of employment, education, or participation in a college program or activity, based on an individual’s age, race, color religion, sex, covered veteran status, or any other basis protected by law.

Domestic Violence – a pattern of abusive behavior that is used by an intimate partner to gain or maintain power and control over the other intimate partner. Domestic violence can be physical, sexual, emotional, economic, or psychological actions or threats of actions that influence another person. This includes any behaviors that intimidate, manipulate, humiliate, isolate, frighten, terrorize, coerce, threaten, blame, hurt, injure, or wound someone.

Harassment – acts that are prohibited by this policy that are based on an individual’s age, race, color, religion, sex, national origin, ethnic origin, disability, covered veteran status, or any other basis protected by law. Harassment can be verbal, visual, physical, or communicated in writing or electronically. It can occur in one single incident or over a period of time and can occur under the guise of humor and even when one person does not have authority over the other.

Incapacitation - a state where one cannot make a rational, reasonable decision because they lack the ability to understand the “who, what, when, where, why, or how” of their sexual interaction.

- This policy also covers someone whose incapacity results from mental disability, sleep, involuntary physical restraint, or from the taking of a so-called “date-rape” drug. Possession, use, and/or distribution of any drugs to another student or employee, for the purpose of inducing incapacity, will be considered a violation of this policy.
- Use of alcohol or drugs will never function to excuse behavior that violates this policy.

Respondent – the person against whom a complaint is made; the accused

Relationship Violence – abuse or violence between partners or former partners involving one or more of the following elements:

- Battering that causes bodily injury;
- Purposely or knowingly causing reasonable apprehension of bodily injury;
- Emotional abuse creating apprehension of bodily injury or property damage; or
- Repeated telephonic, electronic, or other forms of communication —anonymously or directly— made with the intent to intimidate, terrify, harass, or threaten.

Sexual Assault/Sexual Violence – a particular type of sex discrimination that includes, but is not limited to, non-consensual sexual contact, non-consensual sexual intercourse, or other physical sexual acts perpetrated against a person’s will or where a person is incapable of giving consent. Sexual assault/sexual violence also includes, but is not limited to, physical assaults of a sexual nature, such as rape, sexual battery, domestic violence, dating violence, stalking, or attempts to commit these acts.

Sexual Contact – intentional contact with the breasts, buttocks, groin, or genitals of another person, or touching another person with any of these body parts; making another person touch you or themselves with or on any of these body parts; any intentional bodily contact in a sexual manner, even where the touching does not involve contact with, of, or by the breasts, buttocks, groin, genitals, mouth, or other orifice; intercourse, however slight, meaning vaginal penetration by a penis, object, tongue or finger; anal penetration by a penis, object, tongue or finger; or oral copulation (i.e., mouth to genital contact or genital to mouth contact).

Sex Discrimination – making a distinction in favor of, or against, a person on the basis of sex rather than on individual merit; or behaviors and actions that deny or limit a person’s ability to benefit from, and/or fully participate in, the educational programs or activities or employment opportunities because of a person’s sex.

Examples of sex discrimination under Title IX include, but are not limited to, sexual harassment; sexual assault; failure to provide equal opportunity in education programs, activities, and co-curricular programs, including athletics; discrimination based on pregnancy; and employment discrimination.

Sexual Exploitation – taking advantage of the sexuality of another person without consent or in a manner that extends the bounds of consensual sexual activity without the knowledge of the other individual for any purpose, including sexual gratification, financial gain, personal benefit, or any other purpose; or taking non-consensual or abusive sexual advantage of another for his/her own advantage or benefit.

Examples of sexual exploitation include, but are not limited to, invasion of sexual privacy; prostituting another student; non-consensual video or audio-taping, broadcasting, or sharing of sexual activity; sexual activity with someone whom one should know to be, or based on the circumstances, should reasonably have known to be, mentally or physically incapacitated (i.e., by alcohol or other drug ingestion, unconsciousness, or blackout); sexual activity with someone whose incapacity results from mental disability, sleep, involuntary physical restraint, or from the taking of drugs; going beyond the boundaries of consent (e.g., letting your friends hide in the closet to watch you have consensual sex); engaging in voyeurism; or knowingly transmitting an STD or HIV to another.

Sexual Harassment – unwelcome sexual advances; requests for sexual favors; visual, verbal, or physical conduct of a sexual nature, including sexual assault, when such conduct is made a term or condition of employment or used as a basis for education decisions affecting the individual; or conduct so severe, persistent, or pervasive as to objectively interfere with a student's (or employee's) educational, living, or work performance or environment.

Examples of sexual harassment encompass a wide range of conduct, such as:

- Promising, directly or indirectly, a reward to a student or an employee if he/she complies with a sexually oriented request.
- Threatening, directly or indirectly, retaliation against a student or an employee if he/she refuses to comply with a sexually oriented request.
- Denying, directly or indirectly, a student or an employee an education or employment related opportunity if the student or employee refuses to comply with a sexually oriented request.
- Engaging in unwelcome sexually suggestive conversation or inappropriate physical contact or touching of a student or an employee.
- Engaging in indecent exposure.
- Making repeated or persistent sexual or romantic advances toward a student or an employee despite the student's (or the employee's) rejection of the advances.
- Engaging in unwelcome physical contact such as touching, blocking normal movement, physical restraint, or assault that is sexual in nature or because of the victim's sex.
- Retaliating against a student or an employee for filing a harassment complaint or threatening to report harassment.
- Sexual harassment can involve males or females being harassed by members of either sex. Although sexual harassment sometimes involves a person in a position of greater authority than the harasser, individuals in positions of lesser or equal authority can also be found responsible for engaging in prohibited harassment.
- Sexual harassment can be physical and/or psychological in nature. An aggregation of a series of incidents can constitute sexual harassment even if one of the incidents considered separately would not rise to the level of harassment.

Sexual Misconduct – a broad term encompassing any sexual behaviors that violate Jarvis Christian College's Title IX Policy. In general, any harassing behavior or non-consensual physical contact of a sexual nature may constitute sexual misconduct. Sexual misconduct may vary in its severity and consists of a range of behaviors or attempted behaviors that may be grounds for student disciplinary action or employee termination/dismissal under College policy.

Prohibited conduct under this Sexual Misconduct Policy includes:

- ***Non-consensual Sexual Contact*** – any intentional sexual touching, however slight, with any object or body part, by a man or a woman upon a man or a woman, without consent.
- ***Non-consensual Sexual Intercourse*** – any sexual intercourse (i.e., anal, oral, or vaginal), however slight, with any object or body part, by a man or woman upon a man or a woman, without consent.
- ***Forced Sexual Intercourse*** – unwilling or non-consensual sexual penetration (i.e., anal, vaginal, or oral) with any object or body part that is committed either by force, threat, intimidation, or through exploitation of another’s mental or physical condition of which the assailant (the accused) was aware or should have been aware.

Stalking – purposely and repeatedly following, harassing, threatening, or intimidating another by telephone, mail, electronic communication, social media, or any other action, device, or method that deliberately or knowingly causes substantial emotional distress or reasonable fear of bodily injury or death.

IV. Support Services

There are various supportive measures available for those who have experienced sex discrimination, harassment, or sexual misconduct. These support sources include, but are not limited to, the following:

Title IX Coordinator. The Title IX Coordinator is responsible for implementing and monitoring compliance of this policy on behalf of the College and serves as the central reference person for information about reporting and the investigative procedure. The Title IX Coordinator will ensure consistent application of this policy to all individuals and allow the College to respond promptly and equitably to eliminate the harassment, prevent its recurrence, and address its effects.

Counseling Services. Students and employees, who have experienced any form of sex discrimination, including sexual misconduct, may receive free and confidential counseling at Jarvis Christian College Student Counseling Services.

NOTE: *The College encourages all individuals to seek assistance from a medical provider and/or law enforcement agency as soon as possible following an incident that poses a threat to their safety or physical well-being. This is to provide physical safety, emotional support, and medical care to the complainant. This will also ensure preservation of evidence, which may only exist for a limited period of time, and to begin a timely investigative and remedial response. If a claimant requires assistance with reporting crimes to local authorities, he/she may request assistance from the Title IX Coordinator.*

VI. Reassignment/Accommodations

All students or employees affected by personal experience of gender-based misconduct may request accommodations to support their safety, well-being, and access to education or employment opportunities. When the complainant and the accused students are in the same courses, reside in the same residence hall or in a certain proximity of each other, or participate in the same activities (e.g., sports teams), the complainant may request that the other person be

reassigned and/or moved. Consultation with the Provost/Vice President for Academic Affairs may be necessary in making a determination regarding alternative classroom assignments for the accused student and/or the complainant who has experienced a sex offense, or with the Vice President of Student Services, in making a determination regarding alternative housing assignments. College administrators will work with the student(s) to provide reasonable accommodations where possible.

When a student employee makes an allegation of sexual misconduct and the accused individual works in the same department, alternative work assignments may be made by the appropriate administrator upon request by the student employee filing the complaint.

Employees of the College who need assistance regarding reassignments may contact the Human Resources Office/the Title IX Coordinator for information regarding counseling options. See *Administrative Handbook* for more information.

VII. Prohibition of Retaliation

The law prohibits retaliation against anyone making a complaint of discrimination, harassment, or misconduct; for participating, testifying, or assisting in an investigation of such; or for opposing the types of practices prohibited by this policy. Retaliation includes intimidation, threats, harassment, and any other adverse action threatened or taken against any complainant or third party because of the complaint or participation in the investigation and/or hearing process. Anyone who believes that he/she has been subjected to such unlawful discrimination or harassment should feel comfortable with reporting their concerns without fear of retaliation. Any student or employee who violates this policy will be subject to disciplinary action and/or sanctions up to and including expulsion or termination from the College. Jarvis is committed to take the necessary steps to prevent the recurrence of any harassment and to correct its discriminatory effects on a complainant and if applicable, the College community.

VIII. Special Provisions

A. Attempted Violations

In most circumstances, the College will treat attempts to commit any of the violations listed in this policy as if those attempts were completed.

B. Filing of False Reports

The College will not tolerate intentional false reporting of incidents. Intentional false reports may also violate state criminal statutes and/or civil defamation laws. Any person who knowingly and intentionally files a false complaint of sex discrimination, sexual harassment (including sexual violence), or sexual misconduct is subject to disciplinary action, up to and including dismissal from the College.

C. Parental Notification

The College reserves the right to notify parents/guardians of dependent students regarding any health or safety risk(s) to the student or to the College community, as well as a change in student status or conduct situation, particularly alcohol and other drug violations. Where the student is not-dependent, the College will contact parents/guardians to inform them of situations in which there is a significant health and/or safety risk. The College also reserves the right to designate which College officials have a need to know

about individual conduct complaints pursuant to the Family Educational Rights and Privacy Act (FERPA).

D. Notification of Outcomes

The outcome of a Title IX investigation involving students is part of the educational record of the students involved, and is protected from release under FERPA, a federal law. However, the College observes the legal exceptions that allow for notification of the parties involved and others the College determines to inform based on the law and this policy.

Students who bring any sort of sex discrimination complaint against faculty or staff shall be informed of the outcome of the investigation and the resolution at approximately the same time as the respondent.

The College may release the name, nature of the violation, and the sanction for any student who is found in violation of a College policy that is a “crime of violence,” including: sex offenses, arson, burglary, robbery, criminal homicide, assault, destruction/damage/vandalism of property, and kidnapping/abduction. The College will release this information to the complainant in any of these offenses regardless of the outcome.

Jarvis Christian College will not tolerate retaliation in any form against an employee who makes a report of workplace violence.

If, after a thorough investigation, the Human Resources Director determines that workplace violence has occurred, he/she will report the findings to the President and appropriate corrective action will be taken and discipline will be imposed on the offending employee(s). The level of appropriate discipline will depend on the facts in each case, and may include oral or written warnings, reassignment of responsibilities, probation, suspension, or termination. Therefore, all employees are required to notify the Human Resources Director immediately if there is any change in relevant personal or employment information such as changes in address, phone numbers, marital status, emergency contact information, insurance beneficiary, number of dependents or legal name.

All information contained in the personnel file is the property of Jarvis Christian College and is not available for review by anyone other than the employee, his/her supervisor, and the Human Resources Department. Employees may examine their personnel files after contacting the human resources department in advance to schedule an appointment; however, these documents may not be removed from Jarvis Christian College's premises or photocopied without the specific authorization of the Human Resources Director.

If an employee believes that information in their personnel file is incorrect, they must submit a written request to change the information to the Human Resources Director. If such a request is granted, the human resources department will make the change in the presence of the employee. If the request is denied, an employee can ask to place a statement of disagreement in the file. This statement of disagreement will become a permanent part of the employee's file.

Jarvis Christian College considers falsification of personnel records to be a serious offense, and upon discovery, can lead to disciplinary action up to and including termination. Jarvis Christian College retains all human resource records for five (5) years after an employee leaves employment. Any rebuttal or response to a document placed in an employee's personnel file shall be submitted by the employee within fifteen (15) working days of the date the original document was signed. The time period may be extended for ten (10) days provided a written request is made for such an extension within the original fifteen (15) day period. When situations such as this arise, a Letter of Non-Renewal will be issued.

SCOPE

These policies and procedures are applicable to all staff and faculty personnel assigned throughout the College, regardless of the source of funding for the position.

It is the policy of the College to provide stable employment to faculty and staff personnel. However, there may be occasions, which necessitate a reduction in the staff work force.

A reduction in work force shall be among the last options implemented by the College. It may be instituted in cases of bona fide budget reduction, lack of work, lack of funds, program discontinuation, technological replacement, obsolete job qualification requirements, or any other condition of serious financial distress that may be determined or declared at any time in the future. When such conditions exist, the President, with a review and approval by the Board of Trustees, will announce or declare the implementation of this policy.

The decision as to the extent of the reduction in work force within the College shall be recommended by the President, with prior review by the Board of Trustees.

When options are available as to which job(s) to select for reduction, the President will consult with the appropriate Vice President to select the position(s) where such reductions will have the least amount of negative impact on the vital programs of that unit.

Staff retention during periods of work force reduction where the number of staff in the selected job(s) exceed the number of positions to be eliminated will be based upon performance as well as length of time in service, commonly referred to as seniority. Performance and seniority are determined for the purpose of this policy as follows:

The level of performance shall be determined by the three most recent written performance reviews as provided in the Performance Evaluation Policy.

Seniority shall be determined as College-wide continuous employment date.

Staff members who receive a Non-Renewal Letter do not routinely have the right to enter formal grievance charges in regard to this action, except for reasons of alleged violation of these policies

and procedures governing such reduction of work force, or for alleged acts of discrimination. This provision supersedes normal grievance procedures adopted by the College.

Reassignment of staff members to comparable or similar vacant positions in unaffected areas:

Whenever it is determined that a reduction in work force is necessary, the President, after consultation with the appropriate unit administrator, has the discretion and authority to place the affected staff member(s) in vacant position(s) without the affected staff member(s) necessarily having to compete with others.

In all cases of reassignment, the staff member must possess the minimum qualifications for the new position.

In cases in which the affected staff member(s) are not reassigned to other positions the persons will be issued the Letter of Non-Renewal in accordance with the policies and procedures that deal with a reduction in work force.

This policy is designed to protect incumbent, staff members who are faced with receiving a Letter of Non-Renewal due to a situation as described in this Policy, from always having to compete should a position be open.

At the time of Nonrenewal, all earned but unused annual leave and/or compensatory leave will be taken prior to the effective end date. The effective date will be the next day following the last day worked by the affected staff member. When organizational needs result in the non-renewal of a long-term employee, the College will use the following criteria to reward years of service:

Years of Service are based on Years of Rate

Years of Services Awards Calculated at of Pay

Consecutive Service from Most Recent Date of Hire

- | | |
|---|---|
| A. Thirty or more years of service | Twelve Weeks of additional paid leave and/or pay, or a combination of both to be determined by the College. |
| B. Twenty or more years of service but less than thirty | Nine weeks of additional paid leave and/or pay, or a combination of both to be determined by the College. |
| C. Ten or more years of service but less than twenty | Six weeks of additional paid leave and/or pay, or a combination of both to be determined by the College. |
| D. Five or more years of service but less than ten | Three weeks of additional paid leave and/or pay, or a combination of both to be determined by the College. |

E. Less than five years of service

Two weeks of additional paid leave and/or pay, or a combination of both to be determined by the College.

Persons that received a Letter of Non-Renewal will be eligible for new employment with the College, but such new employment will be under the same conditions as for all new staff members, including the successful completion of a new 90 day orientation period immediately after the date of new employment where required.

PROCEDURES

At any time a reduction in work force becomes necessary, the President, with input from the appropriate Vice President, shall develop the plan for the reduction in work force for review by the Board of Trustees.

The plan shall include all the possible alternative solutions to the condition of serious financial distress prior to taking the reduction in work force action including all pertinent factors as to what functions and/or job(s) are to be affected and the number of persons that will be impacted. In the event of changes in the qualifications for the position, the plan shall include details regarding the change and steps taken in order for the individuals to meet the new qualifications.

The appropriate Vice President shall include a listing of all staff members within the affected unit including the three most recent performance review ratings, continuous employment date, age, and ethnicity.

The reduction in work force will be accomplished within each affected unit by job, removing from the University payroll the least senior person(s) with the lowest performance level; repeating the procedure until the number of persons to be removed from the payroll has been reached.

All persons affected by this reduction in work force shall be notified in writing as early as possible, 30-60 days. However, it is noted that in the case of funding by a grant or contract, shorter notice may be appropriate.

The Letter of Non-Renewal shall contain the following information:

The effective date of the non-renewal.

A statement advising the incumbent of eligibility to apply for unemployment compensation.

The right of the employee to continue to maintain eligible insurance coverage subject however to the continued payment of insurance premiums by the employee. If the employee wishes to cancel coverage, the cancellation must be done within 30 days of the last day of work or the employee will be responsible for the cost of coverage until cancellation at the next annual enrollment period.

When a vacancy occurs it will be listed with Human Resources and those that Received Letters of Non-Renewal can apply according to statues outlined above.

This policy does not include employees who are offered another position with the College, but refuse said offer. Nor does this policy include employees terminated for cause.

The College reserves the right to suspend or modify this policy, or any portion thereof, when financial shortfalls occur. The College reserves the right to make this determination without prior notice.

POLICIES

SECTION 5.0 - MEMORIAL GROUNDS POLICY– HR 5.2

JARVIS CHRISTIAN OPERATING STANDARDS MEMORIAL GROUNDS

PURPOSE

The Pioneer Cemetery is located on Jarvis property. Individuals buried there are people who have contributed to Jarvis in some manner. Requests are sometimes made by families asking that the Pioneer Cemetery be the final resting place for their loved ones. To that end, the following operating standards and procedures have been established.

SCOPE

The Jarvis Christian College Pioneer Cemetery is part of the Jarvis Christian College legacy. It is dedicated to the founding families and descendants, as well as the faculty and staff of JCC. Any descendent of Major J.J. Jarvis or his wife, Ida Van Zandt Jarvis; Thomas Buchanan Frost; Charles Albert Berry, Sr.; Mary Alphin; Zach Howard; and former Presidents and/or spouses, who wish to be buried in the Jarvis Pioneer Cemetery, will be given priority and may select a location for the plot in the cemetery.

POLICY

A Cemetery Committee, consisting of current Jarvis faculty and/or staff, and appointed by the President, will act as a liaison body between the College and the public to review all requests of individuals wanting to be buried in the Jarvis Pioneer Cemetery.

The President will have the final approval on the Cemetery Committee's recommendations. Any exceptions to the policy must be informed to the Board of Trustees for approval.

The Finance Office is responsible for the management, which includes the care and upkeep of the cemetery.

PROCEDURE

When requests for burial in the Jarvis Pioneer Cemetery are received by the College, they will be sent to the Cemetery Committee for review. In making their decision to grant a request for burial in the Jarvis Pioneer Cemetery the Committee will, for example, consider the following:

- A. The deceased must have worked at the college for a period of five years; exception will be made at the discretion of the President and the Board of Trustees.

- B. The deceased must have worked at the College full-time.
- C. The deceased must have made considerable contributions to the College thereby impacting on students positively through education or finance.

The process for selecting gravesites shall be as follows:

- A. Gravesites will be selected by the Cemetery Committee with input from the family, and final approval from the President.
- B. Any gravesite may be chosen except those already included in a family plot.
- C. Existing graves may not be moved to accommodate the burial of a recently deceased individual.
- D. If a family decides they want to move the graves of their loved ones to another cemetery, they must contact the Office of Finance and Administration, who will coordinate the move through the Cemetery Committee. The family will incur all costs associated with this venture.

Any change of plans with regard to the burial of any member or members of a family in the Jarvis Pioneer Cemetery should be communicated immediately to the Cemetery Committee so that the rejected gravesite can be allocated for use by others.

Any additional improvements at the gravesite must be approved by the College and paid for by the family.

Burial expenses, which include opening and closing of the grave, headstones, markers, etc., must be arranged and paid for by the family.

All burials must be under the direction of a funeral home that is licensed by the Texas Funeral Service Commission and conform to regulations regarding, for example:

- A. Grave Size
- B. Requirements for covering of the grave
- C. Headstones or markers

All funds pertaining to the Cemetery, regardless of purpose for which it is to be used, must be deposited in the Cemetery Account at Jarvis Christian College in the Office of Finance and Administration.

All expenditures from the Cemetery Account will require the signatures of the Vice President for Finance and Administration and the President or his/her designee.

All Cemetery records will be kept in the Office of the President and available for viewing upon request by the public with two weeks' notice.

The College will accept all donations from families. Such donations will be placed in the Cemetery Fund and be used for the upkeep of the cemetery.

POLICIES

SECTION 5.0 - INTELLECTUAL PROPERTY POLICY – HR 5.3

JARVIS CHRISTIAN INTELLECTUAL PROPERTY POLICY

Jarvis Christian College hereby establishes this Intellectual Property (“IP”) Policy with respect to the development, protection, and transfer of rights to IP resulting from the work of its Faculty, Employees, Students, and other third parties.

Introduction

Jarvis is dedicated to providing an environment that supports the creation and development of Intellectual Property by Faculty, Employees, and Students, which IP includes, but is not limited to, inventions, copyrights (including computer software), trademarks, and tangible research property such as biological materials. Such activities contribute to the academic and professional development of Faculty, Employees, and Students, enhance the reputation of Jarvis, and provide additional educational opportunities for participating Students. While Intellectual Property may, in some cases, be the product of a Creator and that Creator’s time and resources, oftentimes, the creation and development of Intellectual Property depends not only on the Creator’s ingenuity, time and resources, but also on contributions (both monetary and otherwise) from Jarvis and third parties. It is important, therefore, to stimulate the development of Intellectual Property by protecting the interests of all those involved in the creation and development of Intellectual Property at Jarvis or using Jarvis Resources.

The following policy is applicable to all full and part time faculty, staff, employees, students, and nonemployees who use Jarvis funds, facilities, or other resources, or participate in Jarvis-administered research, including visiting faculty, industrial personnel and directors, regardless of obligations to other companies or institutions. For purposes of this policy, these individuals will be referred to as “covered persons” or “persons covered by this policy”.

From time to time, it may be in the best interests of Jarvis to enter into agreements with third parties that are exceptions to the policies reflected in this document and the persons covered by this policy. Exceptions shall be made after consultation with the President or designee and only upon written agreements signed by individuals authorized to grant such exceptions on behalf of Jarvis.

Section I. Inventions and Patents

A. Definitions. The following terms have the provided meanings for purposes of this policy:

Inventor. Shall mean a person covered by this policy who individually or jointly with others makes an Invention and who meets the criteria for inventorship under United States patent laws and regulations.

Invention. Shall mean any patentable or potentially patentable idea, discovery or know-how and any associated or supporting technology that is required for development or application of the idea, discovery or know-how.

Supported Invention. Shall mean an *Invention* conceived or reduced to practice by a person covered by this policy (whether alone or together with others) if conceived or reduced to practice in whole or in part:

1. Under or subject to an agreement between Jarvis and a third party; or
2. With use of direct or indirect financial support from Jarvis, including support or funding from any outside source awarded to or administered by Jarvis; or
3. With use (other than incidental use) of space, facilities, materials or other resources provided by or through Jarvis.

Incidental Invention. Shall mean an *Invention* (other than a *Supported Invention*) that is conceived or reduced to practice by a person covered by this policy making an incidental use of space, facilities, materials or other resources related to the conception or reduction to practice of such *Invention*.

B. Disclosure Obligations. *Covered persons* are required to notify the President or designee of each *Supported Invention* and *Incidental Invention* through a disclosure document as prescribed by the President or designee, except as otherwise provided in Section III regarding *Sponsored Software Inventions*.

C. Ownership Determination. Upon review of the disclosure document, the President or designee will determine whether the *Invention* is a *Supported Invention* or an *Incidental Invention* and, in the case of a *Supported Invention*, shall further determine, with assistance from patent counsel, who are the *Inventor(s)*, consistent with U.S. patent law. Jarvis shall have the right to own and each *Inventor*, at Jarvis' request, shall assign to Jarvis all of his/her/its right, title, and interest in a *Supported Invention*. Ownership of an *Incidental Invention* shall remain with its *Inventor(s)*, subject to any rights that may be granted to Jarvis as required by this policy.

D. Filing of Patent Applications. The President or designee shall be solely responsible for determining whether a patent application shall be filed on a *Supported Invention*. Filing determinations may be made on the basis of commercial potential, obligations to and rights of third parties, or for other reasons which the President or designee, in his/her discretion, deems appropriate. *Inventor(s)* of a *Supported Invention* for which patent applications are filed shall cooperate, without expense to the *Inventor*, in the patenting process in all ways required by Jarvis or its agent or designee.

E. Commercialization. The President or designee shall have the sole discretion with respect to the commercialization of a *Supported Invention*, but shall take into account the public interest. Where a *Supported Invention* is subject to an external agreement with a third party (for example, the federal government or other funding sponsor), the President or designee shall make decisions consistent with that agreement. The President or designee shall make decisions concerning commercialization as he/she deems appropriate and shall make reasonable efforts to keep *Inventor(s)* involved and informed of his/her commercialization efforts.

F. Royalty Sharing. Where royalties are generated by Jarvis as a consequence of commercializing a *Supported Invention*, royalties will be shared with the *Inventor(s)* as described in Section V ("Royalty Sharing") of this policy. Jarvis shall have the right to modify the Royalty Sharing section of this policy in accordance with Section VI.C of this policy.

G. Release of Inventions. Where Jarvis determines that it will not file a patent application on a *Supported Invention*, abandons a patent application on a *Supported Invention* prior to issuance of the patent, or abandons an issued patent on a *Supported Invention*, the *Inventor(s)* may request a release of the *Invention*. Upon determining that releasing the *Invention* to the *Inventor(s)* will not violate the terms of an external funding agreement and is in the best interests of Jarvis and the public, the PRESIDENT OR DESIGNEE may agree to a release and in such case will assign or release all interest which it holds or has the right to hold in the *Invention* to the *Inventor(s)* in equal shares, or such other shares as the *Inventors* may all agree. Release of *Supported Inventions* may be conditioned upon, among other things, agreement by the *Inventor(s)* to the following:

1. To reimburse Jarvis for all out-of-pocket legal expenses and fees incurred by the Jarvis if and when the *Inventor(s)* receive income from the *Invention*.
2. To share with Jarvis 20% of the net income (income remaining from gross income after repayment of Jarvis expenses above and the *Inventor(s)*' legal and licensing expenses) received by the *Inventors* from the *Invention*. Income subject to this revenue sharing provision includes equity received by *Inventors* as consideration for the *Invention* but does not include financing received for purposes of research and development.
3. Upon request, to report to Jarvis regarding efforts to develop the *Invention* for public use and, at Jarvis' request, to reassign those *Inventions* that the *Inventor(s)*, their agents or designees are not developing for the benefit of the public.
4. To fulfill any obligations that may exist to sponsors of the research that led to the *Invention*.
5. To grant back to Jarvis an irrevocable, perpetual, royalty-free, nonexclusive, worldwide right and license to use the *Invention* for its research, education and clinical care purposes and a right to grant the same rights to other non-profit institutions.
6. To agree to such limitations on Jarvis' liability and indemnity provisions as Jarvis may request.

H. Jarvis Rights in Incidental Inventions. In recognition of the contribution the Jarvis community as a whole makes in support of innovation at Jarvis, *Inventor(s)* agree to grant to Jarvis an irrevocable, perpetual, non-exclusive, royalty free, world-wide right to use *Incidental Inventions* in Jarvis' non-profit educational and research activities.

Section II. Copyrights

A. Ownership. Subject to the Exceptions in subsection B below, *Authors* are entitled to own the copyright and retain any revenue derived therefrom in books, films, video cassettes, works of art, musical works and other copyrightable materials of whatever nature or kind and in whatever format developed, except that computer software and databases shall be subject to Section III ("Computer Software") of this policy. It is expected that when entering into agreements for the publication and distribution of copyrighted materials, *Authors* will make arrangements that best serve the public interest. As used in this policy, "Author" means any person covered by this policy who creates a work of authorship qualifying for protection under U.S. copyright law.

B. Exceptions.

1. Whenever research or a related activity is subject to an agreement between Jarvis and a third party that contains obligations or restrictions concerning copyright or the use of

copyrighted materials, those materials shall be handled in accordance with the agreement. In negotiating with third parties, project directors and Jarvis should strive to protect and advance the public interest as well as obtain the greatest latitude and rights for the individual *Author(s)* and Jarvis consistent with the public interest and this policy.

2. In circumstances where Jarvis involvement in the creation and development of copyrighted materials is more than incidental, including, but not limited to, use of resources such as funds, facilities, equipment or other Jarvis resources, in consideration of making such resources available, ownership and rights to shares of royalties or income or both shall be fairly and equitably apportioned as between Jarvis and the *Author(s)*. This policy encourages, whenever feasible, Jarvis and the *Author(s)* to reach agreement prior to the commencement of a project on the rights that Jarvis and *Author(s)* will have in the resulting copyrighted materials.
3. A copyrightable work created within the scope of employment by non-teaching employees of Jarvis shall be a “work made for hire” under the U.S. Copyright Act of 1976 (17 USC §101 et seq.) and Jarvis shall be deemed the *Author* and shall own the copyright.
4. Jarvis may also commission copyrightable works from Jarvis personnel, including faculty and students. A commissioned work falling within the “work made for hire” definition of the U.S. Copyright Act (17 USC 101 et seq.) shall constitute a work-for-hire and be owned by Jarvis.
5. Jarvis, at any time, may acquire ownership or rights in copyright and copyrighted materials by agreement with the *Author(s)* or other rightsholder(s), on such terms as are agreed.

C. Other Applicable Policy. Sections I.E and I.F of this policy shall apply to *Copyrights* that are assigned to Jarvis under paragraph B.1 above as if they were *Supported Inventions*, except as otherwise provided in the other paragraphs of Section II.B.

D. Classroom Recordings. With consent of a Faculty member, Jarvis may record, in any form now known or later invented, such Faculty member’s classroom lectures and may use, copy, reproduce, distribute, prepare derivative works using, perform and display such recordings for the benefit of Jarvis so long as such recordings are used for non-revenue producing purposes. In the event Jarvis desires to use such recordings for revenue producing purposes Jarvis shall reach a separate agreement with the respective faculty member regarding such use or shall contract to produce same as a work for hire under a separate agreement.

Section III. Computer Software

A. Definitions.

Sponsored Computer Software. Shall mean any computer program (including, without limitation, microcode, subroutines, and operating systems), regardless of form of expression or object in which it is embodied, together with any users’ manuals and other accompanying explanatory materials and any computer database, that is developed:

1. Under or subject to agreement between Jarvis and a third party; or
2. With use of direct or indirect financial support from Jarvis, including support or funding from any outside source awarded to or administered by Jarvis; or

3. With use (other than incidental use) of space, facilities, materials or other resources provided by or through Jarvis.

Sponsored Software Invention. Shall mean *Sponsored Computer Software* that is an *Invention* as defined under Section I of this policy.

B. Disclosure Obligations.

1. A *Sponsored Software Invention* shall be required to be disclosed to the President or designee as an *Invention* only in cases where:
 - a. The *Sponsored Software Invention* was developed under or subject to agreement between Jarvis and a third party as in paragraph A.1 above; or
 - b. The Inventor(s) and/or Author(s) deem the *Sponsored Software Invention* to have commercial potential and/or favor seeking patent protection for the *Invention*.

All *Sponsored Software Inventions* required to be disclosed to the President or designee as an *Invention*, and any *Sponsored Software Inventions* otherwise identified, shall be treated for all purposes under this policy like other *Inventions*, except as expressly provided otherwise in this Section III.

2. *Sponsored Computer Software* that is not required to be disclosed as an *Invention* under paragraph B.1 above shall be disclosed to the President or designee in accordance with such disclosure procedures as the President or designee may direct.

C. Ownership.

1. Jarvis shall own all patents, copyrights and other intellectual property rights in *Sponsored Computer Software*. For the avoidance of doubt, where Jarvis determines that a patent application will not be filed for a *Sponsored Software Invention* or, if filed, a patent does not issue, *Sponsored Computer Software* will remain the property of Jarvis. Where a patent application is filed on a *Sponsored Software Invention*, Jarvis shall have a right of ownership in all associated copyrights as supporting technology. The purpose of this section of the policy is to enable utilization of *Sponsored Computer Software* in the public interest regardless of the potential for a division of ownership due to the patentable and copyrightable nature of computer software.
2. Computer programs and databases that are not included in paragraph C.1 above shall, for all purposes, be treated in accordance with the policies provided under Section II “Copyrights”.

D. Release of Sponsored Computer Software. Where Jarvis has the right but elects not to commercialize *Sponsored Computer Software*, Jarvis may release its rights, in its sole discretion, subject to a written agreement reserving certain rights to Jarvis and signed by all individuals who have been determined to be *Inventor(s)* and *Author(s)* of the *Sponsored Computer Software*.

E. Other Applicable Policy. Sections I.E. and I.F. of this policy apply to *Sponsored Computer Software* and to *Inventors* and *Authors* of *Sponsored Computer Software* as if *Sponsored Computer Software* were a *Supported Invention*.

Section IV. Unpatented Materials

A. Definitions.

Unpatented Materials (including biological materials). Means cell lines, organisms, proteins, plasmids, DNA/RNA, chemical compounds, transgenic animals and other materials useful for research or for commercial purposes for which patent applications are not filed or, if filed, do not issue, where such materials are developed by persons covered by this policy:

1. Under or subject to agreement between Jarvis and a third party; or
2. With use of direct or indirect financial support from Jarvis, including support or funding from any outside source awarded to or administered by Jarvis; or
3. With use (other than incidental use) of space, facilities, materials or other resources provided by or through Jarvis.

Contributors. Means those individuals who are determined by the head of the laboratory/department or the principal investigator of a research program, as applicable, to have made a contribution to the development of the *Unpatented Materials*.

B. Ownership and Commercialization. Jarvis shall own all rights in *Unpatented Materials* and may make appropriate distribution in the public interest, including licensing or transferring *Unpatented Materials*, for research and commercial purposes. Individuals named as *Contributors* shall be entitled to a share of licensing revenues in accordance with paragraph B of Section V of this policy.

Section V. Royalty Sharing

A. Distributable Royalties. Jarvis employs a single uniform structure for distribution of royalties to *Inventors, Authors, and Contributors* (for the purposes of this Section V, collectively, “*Creators*” and each a “*Creator*”). Jarvis will distribute *Net Royalties* received by Jarvis from the licensing or other distribution of its intellectual property or technology covered by this policy, as and to the extent provided in this policy. *Net Royalties* are calculated based on gross receipts consisting of cash and securities or other equity shares in an enterprise received by Jarvis in return for use of its intellectual property, but do not include other non-cash benefits, sponsored research funding, or other financial benefits such as gifts. *Net Royalties* equal those gross receipts that Jarvis is entitled to retain, less: (i) Jarvis’ out-of-pocket costs and fees associated with securing, maintaining and enforcing intellectual property protection such as patenting and litigation expenses, (ii) out-of-pocket costs incurred by Jarvis in the licensing of the intellectual property and (iii) any out-of-pocket expenses in making, shipping or otherwise distributing biological or other materials (including, without limitation, *Unpatented Materials*). As used herein, the term “*Creation*” shall mean any *Invention, Computer Software, copyright or Unpatented Material* as to which *Net Royalties* are to be distributed in accordance with this policy.

B. Standard Distribution Method. Except as otherwise provided in this policy, the following formula will apply to the distribution of *Net Royalties* among *Creators*, their respective research laboratories/departments and Jarvis, based on amounts received by Jarvis:

Administrative fee – 15%

Of the remainder:

Creator personal share – 35%

Creator research share – 15%

Creator Department/laboratory share – 15%

Jarvis share – 35%

C. Alternative Distribution Methods. *Net Royalties* earned from licensing of *Creations* with multiple *Creators* will be distributed as follows:

- i. *Among multiple Inventors and/or Authors for a single patented invention or copyright*: Personal shares will be allocated among *Inventors* and/or *Authors* according to a written agreement among them or, if there is no agreement, in equal shares. Research shares, department/laboratory shares will be allocated equally where *Inventors* or *Authors* come from different laboratories/departments, regardless of the number of *Inventors/Authors* from each laboratory/department, unless otherwise agreed among all *Inventors/Authors*.
- ii. *Among multiple Contributors to a single Unpatented Material*: Personal shares will be apportioned among *Contributors* as they mutually agree in writing or, if no agreement is reached among the *Contributors*, according to an administrative determination of apportionment that shall be made by the head of the laboratory/department in which the *Unpatented Material* has been made. Research shares, department/laboratory shares will be allocated as in paragraph C.1 for patented inventions and copyrights.
- iii. *For multiple Creations licensed as a package*: First, *Net Royalties* will be allocated among the licensed *Creations* as agreed in writing among all *Creators* or, if no agreement, in equal shares among such *Creations*. In the alternative, upon request of any of the *Creators*, the President or designee will determine the relative value to the package of each of the *Creations*. The foregoing notwithstanding, where an executed license agreement assigns different values to different *Creations* licensed as a package, that value shall be the value assigned for purposes of allocating *Net Royalties* among such *Creation*. Second, the *Creator* personal share and the research, department/laboratory shares of *Net Royalties* so allocated to each of the *Creations* in the package will be allocated in accordance with paragraph C.1 or C.2, as applicable.

D. Rights of Appeal. Administrative decisions made under paragraphs C.2 and C.3 above may be appealed by the persons affected to the Intellectual Property Committee for final determination provided the appeal is made in writing to the PRESIDENT OR DESIGNEE within 45 days of such persons receiving written notification of the administrative decision.

E. Portability of Royalty Shares. Personal royalty shares will be payable to *Creators* regardless of their employment status at Jarvis or elsewhere. Research shares will not follow individuals leaving Jarvis, but will be payable to the individual's Jarvis laboratory or, if no such laboratory remains, the individual's Jarvis department. Where an individual leaves one department and/or laboratory for another at Jarvis, the departmental and/or research share will move with him or her.

Section VI. Intellectual Property Committee; Changes to Policy

A. Overall Responsibility. Jarvis' Intellectual Property Committee, appointed by the President, shall be responsible for interpreting this policy and resolving questions and disputes concerning it. From time to time, the Committee may suggest changes to this policy on its own initiative or at the request of the President or Board of Trustees.

B. Other Responsibilities. Other responsibilities of the Committee include the hearing of appeals as provided under this policy and such other duties as may be assigned from time to time by the President and Jarvis' Board of Trustees.

C. Changes to Policy. In addition to the right to make changes specifically provided elsewhere in this policy, Jarvis reserves the right to amend or modify any of the terms of this policy as it may determine from time to time. The Board of Trustees and President shall have the power to make such amendments and modifications. Any such modification or amendment shall become effective upon adoption by the Board of Trustees or as of such other time as the Board of Trustees shall specify.

Section VII. Miscellaneous

A. Implementing Procedures and Documentation. The PRESIDENT OR DESIGNEE shall have responsibility for developing procedures and documentation as necessary for implementing this policy. Implementation procedures as recommended by the PRESIDENT OR DESIGNEE shall be subject to the approval of the Intellectual Property Committee.

B. Further Assurances of Covered Persons. By making use of Jarvis' facilities and/or by participating in Jarvis-administered research programs and/or activities of Jarvis that are subject to agreements with third parties, persons covered by this policy agree to assist and cooperate with Jarvis in those actions reasonably undertaken by Jarvis pursuant to this policy. All expenses related to providing assistance and cooperation shall be the responsibility of Jarvis.

C. Applicability of New Policy Provisions. For the avoidance of doubt, except as otherwise specifically provided, this policy does not apply to Inventions, Copyrights, Computer Software and/or Unpatented Materials made or developed prior to the effective date of this policy.

APPENDIX C – EMPLOYEE HANDBOOK ACKNOWLEDGEMENT FORM

The *Administrative Policies and Procedures Manual* (herein, called **the Employee Handbook**) supersedes all previous employee handbooks.

I acknowledge that I have received a copy of the Jarvis Christian College Administrative Policies and Procedures Manual and that by signing this acknowledgment, I agree to adhere to these policies and procedures as a condition of my employment and/or continuing employment with Jarvis Christian College.

I understand that I am to read and become familiar with the contents of this manual. If I have any questions, I understand that I should talk with my Supervisor or the Human Resources Director.

I further understand that this manual is not intended to, nor does it create promises or representations of continued employment. Every employee has an at-will relationship with the College. This means that I am free to resign my employment at any time, just as Jarvis Christian College is free to terminate my employment, for any or no reason, with or without cause or the use of progressive discipline, at any time with or without notice.

This manual represents a summary of the more important College guidelines at the time of publication and is not intended to be all inclusive. In all instances, the benefit plan texts, trust documents and master contracts, as appropriate, are the governing documents. The Employee Handbook, personnel policies, benefit plan texts, any trust agreements, or master contracts are not employment contracts.

Apart from our policy of at-will employment and those policies required by law, Jarvis Christian College may change its policies or practices at any time without prior notice.

Further, I understand that this document will become part of my personnel file.

Purpose

The purpose of this policy is to set forth the Jarvis Christian College policy on disclosure of misconduct and to protect individuals from retaliation in the form of an adverse employment action for disclosing what they believe evidences certain unlawful or unethical practices. This policy is applicable to all employees of the College and to applicants for jobs at the College.

Statement of Policy

It is the policy of Jarvis Christian College that employees and applicants shall be free without fear of retaliation to report conduct within the College that they reasonably believe may constitute misconduct including, but not limited to, the following: wire fraud, mail fraud, bank fraud, securities fraud or questionable accounting and internal controls, auditing matters, harassment, discrimination, hostile workplace, safety and security issues, illegal or unethical business practices, wrongful termination, hate messages, cyber-bullying, faculty and staff handbook violations, violations of laws, mismanagement, waste of institutional resources, and abuse of authority. A representative of the College shall not take or refuse to take any employment action in retaliation against an employee or applicant who reports possible misconduct under this policy in good faith or who, following such disclosure, seeks a remedy provided under this policy or any law or other College policy. However, employees or applicants who knowingly file false or misleading reports, or without a reasonable belief as to truth or accuracy, will not be protected by this policy, and in the case of an employee, may be subject to disciplinary action, including termination of employment.

Process for Disclosure

An employee or applicant shall disclose all relevant information regarding evidenced misconduct to the President or designee in a signed written document within ninety (90) days of the day on which he or she first knew of the misconduct.

The President or designee shall consider the disclosure and take whatever action he or she determines to be appropriate under the law and circumstances of the disclosure. The President or designee will contact the complainant within 5 business days and acknowledge the reported violation was received. The complainant will be notified about what actions will be taken. If no further action or investigation is to follow, an explanation for the decision will be given to the complainant.

Any complainant who reasonably believes they have been retaliated against in violation of this policy shall follow the same procedures as they did when they filed the original complaint.

APPENDIX G– SUBSTANTIVE CHANGE POLICY

When Jarvis Christian College has a significant modification or expansion of its nature and scope a substantive change review is required. The College will notify the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) for an appropriate review prior to the initiation of the change(s).

If the College discovers an unreported substantive change, the College will take immediate action to submit the unreported substantive change in its required format (notification letter, prospectus, etc.) to the SACSCOC President prior to formal reviews by the Commission on Colleges.

Definition of substantive change

Substantive changes include the following:

- Any change in the established mission or objectives of the institution
- Any change in legal status, form of control, or ownership of the institution
- The addition of courses or programs that represent a significant departure, either in content or method of delivery, from those that were offered when the institution was last evaluated
- The addition of courses or programs of study at a degree or credential level different from that which is included in the institution's current accreditation or reaffirmation
- A change from clock hours to credit hours
- A substantial increase in the number of clock or credit hours awarded for successful completion of a program
- The establishment of an additional location geographically apart from the main campus at which the institution offers at least 50% of an educational program
- The establishment of a branch campus

- Closing a program, off-campus site, branch campus or institution
- Entering into a collaborative academic arrangement that includes only the initiation of a dual or joint academic program with another institution
- Acquiring another institution or a program or location of another institution
- Adding a permanent location at a site where the institution is conducting a teach-out program for a closed institution
- Entering into a contract by which an entity not eligible for Title IV funding offers 25% or more of one or more of the accredited institution's programs

Procedure for reporting substantive changes

To establish a pattern of approval prior to the initiation of changes, or to submit an unreported substantive change, the procedure for reporting and notifying the Commission on Colleges of substantive changes follows:

- A substantive change report is initiated in the respective College Unit (academic affairs, finance and administration, institutional advancement and development, institutional effectiveness, student services) and submitted to the respective unit vice president.
 - If the change is academic in nature, the report is submitted to the Curriculum Committee for review and approval, then forwarded to the Faculty Governance for review and approval
 - If the change is non-academic in nature, it is presented directly to the Office of the President by the respective vice president
- The unit vice president submits the request to the Office of the President to be presented in the President's Executive Cabinet (PEC) for review and approval
- The Office of the President submits the substantive change request to the Board of Trustees for review and approval

- Once approved by the Board of Trustees the request, in its required format, is submitted to the Office of the Accreditation Liaison.

The Office of the Accreditation Liaison sends the request, in its required format, to the Commission on Colleges for review and final approval.
